WHY PRE-REGISTER?

Many convention participants ask the question, "Why should I pre-register for the convention? What do they do with the money?"

The money that is collected from pre-registration is how we pay for all hotel and convention facilities that we use during the convention, as well as all associated service expenses.

We believe that once participants understand that it is fees from pre-registration that make the holding of this event possible, the question, "Why pre-register?" will be answered.
