RCMs –
Please take back to
groups.

The Mid-America Region Campout would like all RCMs to take back to groups the following:

1. We are interested to see if there is any willingness to host a fundraiser for the campout by any group or area. Please contact any member of the committee with questions or to express willingness.

2. The Campout committee is also seeking willingness from any member Area or Group to sponsor a meal during the campout. This would entail providing the food for the meal along with utensils, napkins and plates and

serving and clean-up of the meal with volunteers. The Saturday night meal will be provided by the committee. For any questions about how this would work contact our catering chair, Stephanie. Feel free to bring willingness to any committee member or at the interim meeting.

3. Any willingness to be a part of the Campout Committee, please come to our interim meeting. Positions open for election:

- Treasurer
- Secretary
- Fundraising/Merchandise Chair

Interim meeting at Wichita Metro's Celebration of Recover on January 25th, in Wichita, at 1 pm.
