

Because the groups have created the service structure, they have final authority over all its affairs. By the same token, the groups also have the final responsibility for the support of all its activities. The two go hand and hand.

The short and sweet of what this is and how this works...

This is just like the business meetings that we hold at our groups each month. Nothing more difficult than that. However, the items that we are voting on do not just affect our local group(s), they affect all groups around the world. *Our groups conscience decision is not the only decision however, our groups conscience decision matters. So that no addict need ever die of the horrors of addiction, we as groups join together so that our collective voices can be heard and our message of hope carried to the addict that still suffers.* The Narcotics Anonymous World Service Committee has items that need **group input** and motions on the floor that need to be voted on **by the groups**. The motions on the floor that are up for vote are as follows:

Motion 1- To approve the NAWS Long-Term Goals, which serve as the foundation of the NA World Services Strategic Plan (...discussions regarding the goals that NA at the World level has for Narcotics Anonymous as a whole.)

Motion 2- To approve the IP contained in Addendum A," Mental Health in Recovery" as Fellowship approved recovery literature. (...this is a very real issue for a lot of us in the rooms. Outside issues are not outside issues if they affect us on the inside.)

Motion 3- To approve the revisions to the FIPT Operational Rules contained in Addendum B. (...discussions regarding our literature and the use of the NA Service Symbol)

Motion 4- To approve the revisions to NA Intellectual Property Bulletin #1 contained in Addendum C (discussions regarding permission being required for the reprinting/copying of NA books)

Motion 5- To approve the initiation of the established process to revise the Fellowship Intellectual Property Trust in the 2020-2022 Conference Cycle (discussions regarding updates to the fellowship Intellectual Property Trust (FIPT))

Rod D. who is our regional world delegate will be facilitating the workshop and will share with us all that is going on and how we can help.
