Ⓝ Area reports:

Ⓝ Central Kansas Area:

Hello Regional family from CKA,

Our area would like to send our heartfelt condolences to those who have suffered losses during this difficult time. Please feel the hugs and prayers we are sending to you virtually until we can hug you in person.

Now on to what is going on in our area.

We are currently without an RCM or RCM II so y'all are stuck with me for today. We do have someone interested in the RCM position but is unable to take on that position until after this month due to a conflict of interest. 😊 Hopefully we will have a full team in August. In addition to these, our co-chair also recently resigned because he is needed to do service at his homegroup.

At this time all H&I commitments have been suspended. As restrictions are lifted or lessened those efforts will re-engage as we are able. During this current crisis only one group was able to provide enough social distance to keep meeting in person; that is the Pratt "Tree of Life" group. Phoenix group in Salina, Fellowship for Freedom in Hays, and both Living by Faith and Wecoverly in Great Bend have all been hosting virtual meetings weekly. Midway in Kinsley and Just for Today in Larned both suspended meetings until an unknown date. The groups who were/are having virtual meetings are now partially reopening or discussing how to reopen. We decided to hold off on printing new meeting lists until we know what groups and meetings will be taking place in the next couple of months. This uncertainty also makes it difficult to answer the questions needed for the insurance renewal so I ask that information provided from last year be used for the time being. For now these meetings are taking place in person

Hays Fellowship for Freedom - All meetings will reopen on 5/18/2020 as listed on the most recent meeting list.

Salina Phoenix is meeting Tuesday and Thursday at 7 and will discuss reopening further at their next group conscience.

I hope we have more detailed information soon and we will post that on our social networking platforms as more meetings open up.

At this time we are also holding our ASC meetings on Zoom and have already planned next month using this platform as well.

The Great Bend Living by Faith group is planning a day in the park (Brit Spaugh) on June 20th starting at 2pm, dinner at 5pm, raffle/auction at 6pm and speaker Cameron from Hutch at 7pm. A flyer has been sent to the regional webpage.

Phoenix group in Salina is planning a campout June 26-28 at Kanopolis Lake – More will be revealed and a flyer will be out soon.

Our Area voted in favor of the regional policy change regarding Campout.

We have a \$350 donation to the region. A check was snail mailed to the treasurer last weekend.

In loving service,

Sally R. – Not really the RCM 😊

🇺🇸 **Fellowship for Freedom Area:**

FFFA met last month for the first time as an area last month. We discussed the immediate needs of the groups within the Area. It was determined that there were groups within the area that did not have access to a platform in order to host or participate in home group on-line meetings.

As such, the Area elected to purchase a yearly subscription to zoom to allow those groups that would like to host on-line meetings the ability to do so. The majority of home groups within the area have gained access via individual group funds in order to host on-line meetings.

Due to the Area not having met for some time and to ensure that the needs of the individual groups are being met, the Area elected not to provide a donation to Area at this time.

Thank you for letting me serve,

-Nada

Just For Today RCM Report for February 2020

Hello NA family hope all is well, and everyone is staying safe during this COVID 19 craziness. Our area voted yes on the motion that was sent back to our groups for where we will be voting on the regional campout site. The yearly recovery fest campout hosted by freebirds group at Elk City lake in Independence, Ks has been canceled due to the pandemic but there are still many individuals planning to go and fellowship. You will have to reserve your own campsite and please note that this will not be a sponsored and or sanctioned NA event. Since our last area meeting was a zoom meeting, we do not have a donation for region at this time. Our intent is to have an in-person area meeting on June 14th at Yates center. I have listed below our current meeting status and schedules along with the corresponding zoom ID's Thank you for allowing me to be of service.

 **Miracle Area:**

Dear Mid-America Region,

The Miracle Area is holding on. The Area has met twice via Zoom. We are conducting business as best we can and have even filled most of our open positions except for our PR Chair has been open for quite a few months.

Most of our groups are meeting by Zoom. The exception is the Alive & Kickin', Ottawa, group which is still meeting in person and the Not So Famous group, Baldwin, is not meeting via Zoom. I have attached an image that shows all of our online meeting information.

We added a PayPal 7th tradition option to our Miracle Area Facebook Group. However, we are fairly low on funds as we had been seeded campout which has been postponed and therefore have no donation at this time.

Ⓝ Primary Purpose Area:

Hello family!

Things are going as well as can be expected in Primary Purpose Area currently. Newton and Lyons have temporarily closed their doors. Hutchinson and McPherson are still holding meetings and working to keep them in alignment with the 10-person minimum with proper social distancing practices. I hear it's been going ok although challenging but I haven't been there to see for myself.

Hutchinson and McPherson are holding virtual meetings as well. Hutchinson's virtual meeting times and ID/link can be found on the regional website. We attempted to share a virtual meeting account within the area but there has been no interest in doing so.

We have changed the frequency of our area meetings to monthly rather than quarterly. PPA meets the second Sunday of every month on a rotating location schedule.

Gift of Life in Hutchinson is still planning to have their June campout so far. This will be at the Smarsh Creek shelter at Cheney Lake, June 12-14. There is a save the date flyer on the regional website.

The Blue Ball Ball is in the early stages of the planning process but dates have been set for December 12th hopefully in McPherson.

Gift of Life in Hutchinson has mailed a \$250.00 donation for MARSCNA to the treasurer this quarter.

In loving service,

Hallie T.

Good morning Mid-American Region of Narcotics anonymous.

I assumed last region was to be my last as RCM however Gods plans and my own don't always align the way I think they should. Due to Covid-19 Wichita metro Area of Narcotics anonymous has struggled to continue in any fashion similar to its previous structure however many of us are optimistic in our future and hope a speedy recovery overall of the NA rooms and the people in them. We did however loose Grant L. due to coronavirus. Grant was a longstanding member of our area and out fellowship who myself and many will miss.

Due to current covid-19 issues our area decided to push elections into may ASC however not enough groups were there for quorum and did not have elections and very little discussion as a whole.

Restore us to sanity has maintained their meetings every day at 630 pm.

Living Clean has met to discuss guidelines of restarting their meetings. They will be opening with masks and restrictions to protect their members.

Unity group will have group will have group conscience today to determine the manner in which to open after governor Kelly raises the limit of people to 30.

Simple and sweet love you all

Ⓝ **Campout:**

Hello Family,

The Campout Committee has been sending each other reports & trying to stay on top of everything. As everyone is well aware with the Coronavirus, businesses (and people's lives) have been shutdown, locked down & just plain up in the air. There are a few items we still need to finalize. We are waiting until businesses & the State start opening back up. We are working according to the phases as outlined by our Governor. More will be revealed in the coming weeks.

We appreciate the volunteers helping serve the meals, as well as cleaning up.

It would be very helpful if we could procure some raffle and auction items from around the Region.

The Campout Chair position will need to be voted on by the committee in June. Then it will be finalized at the August Regional meeting.

The next Committee meeting is June 6, 12:00 pm, at Sunset Park in Salina, Ks.

In Loving Service,

It was asked what the status is of the current campout for July 4th weekend of 2020. It was expressed that the committee is waiting for the Governor to make decisions before their next June meeting.

Chair Report

May 17, 2020

Hello Regional Family

I first would like to take a moment of silence in Honor Our Brother Grant Linsley.

Grant's presence and valuable input will be deeply missed in the MARCNA Committee meetings.

In March, the Committee decided to postpone the Convention and start looking at other dates later this summer to reschedule. In April we came to the decision to postpone it completely this year and use the April 2021 dates and Location in Wichita. We came to this decision over much discussion about possible fellowship safety and competing with other summer functions. With this decision we also discussed if the current Chair and Committee see out their position until MARCNA 37 was official closed, and all but Hospitality agreed. The only reason Hospitality did not keep Her is that she was Moving out of State.

There was some discussion about if I (Ben T.) would remain Committee Chair since Angie B. was Officially voted in February RSC as the Convention Chair for 2021, this is about the wording of the Motion.

RSM's do you want the Current Committee Team to finish out the MARCNA 37 Convention or go with the February RSC decision?

The Committee also decided that we will be reopening MARCNA 37 Pre-Registration at the cost of \$25 and Other Special Offerings and Prices to be determined and will run until February 14 2021. We also decided that all 2020 Emporia Pre-Registration and Merchandise will be honored and available at the new Date and Venue in Wichita. With this we will be Mailing out a letter to all that Pre-Registered for the 2020 Emporia to explain this.

We as a Committee are excited about moving forward with the new date and venue! We will be making more announcements in very near future!

In loving Service

Ben T.

The letter sent out to registered members of MARCNA 37 will be attached at the end of the minutes

June 20th at 1pm is the next meeting. Joe asked if Angie would be interested in taking Chair for MARCNA 38, Angie would be willing. Jeffry asked for a pinned post on the facebook page so that people are able to find these meetings quickly. Ron asked if the committee is looking to have more fundraisers, Ben said yes we are, more will be revealed with vendors, speakers, and if we have the need for more fundraisers.

Fellowship Development:

Fellowship development report May RSC

Hello family;

There was no report of new groups.

Although not official we have heard that Last door group in Junction City is now closed. Also Larned group will not be meeting face to face until the 6 ft social distance rule is lifted as they don't have the space to make that happen.

There was major discussion about utilizing Zoom meetings. Daniel shared the Zonal has three accounts and they are not as busy as they were when we first went into shut done. They offer a noon and 7 pm meeting daily that every group can utilize. **(to keep it not quite so confusing in this report I placed all of the discussion together on the Zoom topic even though we had discussion, then events, MAN and Soul to Soul reports and then back to discussion)**

Some of the discussion

- a. Region buy a zoom account for our struggling groups to be able to have one.
- b. Have zoom meetings within the regular meetings so if people do not feel comfortable going into meetings they can still attend virtually. Hoping this would help people not relapse that need face to face meetings. (there was some experience shared from one of the members that attended this meeting—stated this has proven to not be very effective, and pretty disruptive in her home group)
- c. Discussed groups setting up pay pal accounts to keep the 7th tradition going.
- d. Discussed how some groups may be hurting due to rent and utilities for their meeting hall. Some meet in Churches and Libraries so may not have any overhead at this time.
- e. If people Zoomed from their meeting halls they may need wifi or find a member willing to use their data.
- f. Capable of ordering a speaker called Jabra speaker 510 for about 149.00 to help with zoom meetings inside a meeting hall and being able to hear!
- g. Was stated “you either attend virtual meetings or you don't” and they are available at this time. Most meeting halls have signs on their doors if possible, one meeting hall said they have members go to the meeting hall in person to direct the newcomer on a virtual meeting.

h. Was discussion about the disunity that face to face meetings vs zoom meetings is causing. People not willing to go to zoom meetings and others not willing to go to face to face meetings and sometimes it's because some of the meeting halls haven't closed at all during the pandemic and that might be created some of the disunity.

Possible solutions

- a. NAWS will be hosting a webinar about virtual meetings, there is a resource page on NAWS page with a lot of information.
- b. Designate someone from your area/homegroup to be on that webinar to gain the knowledge to share
- c. Have our Regional delegate team put together webinar on how to keep a strong home group.
- d. Have web person add a link to our regional page for NAWS, a folder to keep documents in of the readings etc. and powerpoints. Daniel C was to get with web servant to get this taken care of.

Events- In August Soul to soul will have the fundraiser for RSC with dinner and a speaker.

MAN- has a wonderful report that has been sent in already- but will read it here.. Also he needs reimbursed \$110.55 for mailing of the newsletters.

Soul to Soul- will have a fundraiser in Emporia on July 18 and then at August RSC. Food will be at both of these!

Next discussion—MARQUETTE SCHOOL

The school has finally gotten fiber optics laid for internet. This was a costly project for them. They wanted to know if we could raise the price of our rent just a little to help offset the cost of this internet.

- a. They were reminded that internet was part of our original contract and we have not had it
 - 1. (**Secretary amendment** as per Shelley's request: internet was NOT part of the original contract. Matt M. dug up this contract and confirmed that it was not in the contract)
- b. They were reminded of all of the complaints we have had including the ice maker, no heat, no air conditioning.
- c. They have experienced a lot of maintenance issues as well as embezzlement.
- d. It was suggested we increase our rent by \$100.00 per year (this would be an additional 25.00 per quarter for internet) We currently pay \$1600.00 per year and that includes storage of our items.
- e. We will have shelves in our new storage room at some time
- f. They have been reminded frequently by our liaison of all of our issues.
- g. Discussed that Events Coordinator contact Brooke or Corrina (the mayor) on the Monday before RSC so they can up the Broadband width during RSC weekends (this way it is not running at the max amount with no one there the rest of the time). As well as tell them to turn on air condo and/or heat
- h. Right now either party has 90 days to get out of our Marquette contract.
- i. **Suggestions-** have individuals pay \$10.00 for the wifi password for the weekend and then give that money for the wi-fi--- or pass the basket and give that money for the wi-fi. (was discussion on how passing the basket and giving that money away violates traditions as well as endorses to outside entity)

Fellowship development is recommending we increase our rent \$100.00 per year to help cover the cost of the wi-fi. Effective with this RSC. IF we find that we like it then we can look at increasing that more. This would make our rent/storage payment \$425.00 per quarter. (we have the building 8 days a year but can have it up to 10 within our contract)

Mid America Newsletter (MAN) -

Mid-America Newsletter Report

May 16, 2020

Hello family,

I think having some quarantine down time seemed to help us all as I received enough articles to complete the MAN before the May 1st deadline. I did change it up a bit before publishing though, by adding a word piece created at the start of the first virtual WSC. Please keep your stories coming, there is much to write about and it can be printed in the next issue.

It was decided to go ahead and print this issue and bulk mail them to ASC's. Since I was issued a check made out to Office Max that covered printing, folding, and stapling. I printed 500 copies for a total of \$101.68, or 21¢ each. I told them to print B/W, but received color. I'm not sure if they were just being generous or what. I took it as a great bonus during these trying times, and might have added more color to the publication if I knew that was going to happen.

I am asking to be reimbursed for the rest, which is plastic bulk mailers and postage. Besides mailing bulk packages to 10 areas, I also mailed 20 newsletters to the Hole in the Wall Group at Oregon State Penitentiary. That included 10 each of the spring and summer issues. All receipts will be turned in once we meet or can be mailed to Treasurer.

Bulk mailers \$26.00

Postage \$84.55

\$110.55

The quantities mailed to areas:

CKA	50
FFF	40
JFT	50
Miracle	50
NANA	40
OZ	30
PPA	30
Unity	40
Western	30
WMA	100

I would keep the requested amount for the Fall issue the same as it has been, which is (not to exceed) \$300.00. I haven't had a chance to talk to the Manager about the inconsistencies in previous print jobs, but if I can have the guy who printed this issue do them all, I would.

Gratefully serving NA,

Tim S., editor

- Fellowship Development and MAN Discussion: Clarification on the workshop from NAWS. It was suggested that we get with the RD team to put on a workshop on how to keep your homegroup together during these difficult times. Rod said the RD team has been in conversation but they will talk about it further and get back to the committee. Discussion on whether internet access was part of our contract originally, our liason stated that it was not part of the contract.

 **NAWS Contact:**

Sent email off to NAWS about getting the DUMP from the database but that probably isn't going to happen until they get back to full time work.

PO Box Report
May 16, 2020

I last checked the PO Box this morning, here is what we received:

- H&I Letter from a female inmate in Salina – I will pass this information on to Phoenix group, however it does not appear she is any longer in Saline County jail, so I can also pass this information on to H&I at Region. The letter stated that she was possibly going to Topeka.
- Registration for OK Region's Convention (This was prior to it being quarantined).
- President Trump's Coronavirus guidelines for America
- Northwest Kansas today Magazine
- A letter from Kansas Children's Service League looking for donations.
- Zoom meeting postcard from the post office on Grow your business Day – for May 19th 2020.
- Post Office Box renewal – was due April 30th. We got another reminder on April 21st. I did not remember this was due in April, so I went ahead and paid it and need to be reimbursed today for \$106.00. I emailed Beth a copy of my receipt. We probably need to discuss setting this up on Auto-pay.

That was it!

Hello Regional Family,

Our committee is moving forward with plans for this event.

We discussed our fundraisers. July 18th being the first one in Emporia at Peter Pan park. Flyer will be posted on regional events calendar. The second one will be at August RSC. More will be revealed in the flyer. Please bring raffle items for both events.

We decided where we will be purchasing our pre-reg. merchandise.

We have a tentative menu set for the weekend.

Howdy Peeps:

On April 2nd we got sent a poll asking us to vote on where we wanted to go from here. Here being lockdown and in quarantine and not being able to meet for 10 days in California. 120 out of 127 voted to

1. Meet virtually to decide essential business only **(107 yes)**
2. Only conducting discussions and decisions on an emergency budget and just the project plans outlined in the 2020 CAT **(106 yes)**
3. Discussion and decision on the FIPT operational rule moratorium end date **(86 yes)**
4. Conduct elections **(110 yes)**
5. Schedule 2 sessions of 2 hours per meeting day between April 25th to May 3rd **(90 yes)**

Five other questions were 60% less so they did not pass.

We opened on Friday April 24th at 1:00 PM CST with a PowerPoint presentation going over the rules of engagement. Each Regional Delegate was given a number and we put that first, then our Region and last our name. (060 MidAmerica Rod D) Alternates just had our Region, AD then their name if you did not do these then you might be stuck in a waiting room if you got booted during the meeting. We used the yes, no, backwards, and forward buttons during the meeting to vote backwards meant Abstain, and Forward Present not Voting. During the second session on Friday there was question and answer time. I asked about moving the Office and got the same old song and dance. Lots of questions about budget and money which leads me into Saturday

Lawsuit is ongoing because of the lockdown it has been postponed until June. Anthony also said we had received two complaints that I am trying to get more information about. Money has been a challenge since the lockdown nevertheless NAWS has added a new contribution link to the website that has gone from reoccurring contributors to 310

by April 22nd. And from \$2089.00 to \$8091.00 in monthly contributions. We have seen 18 newly posted translated recovery literature and service material since March. Audio Basic Text in Arabic, Hungarian, Russian is done and Spanish and English coming soon. All paper mailings have been suspended until further notice. Though they will be starting up the H&I printings back up soon (Behind the Walls, Reaching out). Meeting growth of NA was talked about United States has only grown by an average of 1% since 2008. Currently we have 35% of the meetings in the World, Iran has 34% and the rest of the World takes up the rest. The literature CAR Survey had 4557 members in 8 languages and 53 Regional responses. I have included the handout with my report so you can see what kind of new or revised literature is being asked for.

Day 3 got us lost in our Emergency Budget as the Regions were not happy about budgeting in the negative. There were 20 different amendments for the Budget and all the chat apps were blowing up. Nevertheless, when we shutdown for the day and they sent the us home for the next three days we got a new poll (total of 9 Virtual Motions) in the email. Go figure it was the basically the same budget.

Day 4 we got the results from the polls and surprising even with all the complaining about the budget all, but one passed.

Day 5 during the days off we got to vote for World Board, Human Resource Panel and the new Cofacilitator for the following cycle.

1. World Board Danny G, Eduardo G, Jorge M, and Michael B
2. Human Resource Panel Arne H-G, and Laura B
3. Cofacilitator Mario T

Day 6 What are we going to do with the rest of Motions and the Survey for Literature all day long. Let us take the Literature Survey first and we will not get into any New Literature requests because we do not have the money to do what is on our table now.

1. Revisions to existing Recovery literature top
 - a. Regional responses
 - i. Revise The Narcotics Anonymous Step Working Guide
 - ii. Revise IP # 21 The Loner
 - b. Individual Responses

.Revise The Narcotics Anonymous Step Working Guide

i.No revisions

2. What do we do go forward?

. Do you want to come back together virtually as a WSC in this conference cycle to consider CAR and CAT motions?

.1st Straw Poll 102 yes, 30 no, 0 abs, 1 pnv

1. Opened up Queue for discussions a lot of discussion on did we have enough time before the lockdown get a conscience, wording of the Poll is not very specific, if we vote virtually regarding the FIPT it may cause more trouble so we should only vote on these in person, most of out of country delegates are up all night (some even going to work), getting up early in the morning, doing a work all day then attending the virtual WSC it is not fair to them.

i.2nd Straw Poll 90 yes 38 no 1 abs 5 pnv

ii.3rd Straw Poll 75 yes 40 no 3 abs 6 pnv

iii.4th Straw Poll 76 yes 48 no 1 abs 8 pnv

iv.5th Straw Poll 76 yes 48 no 3 abs 6 pnv . And so, it went until 2 hours was up and we did an hour break.

a. We came back from break with this motion “ To postpone Motions 3-5 till WSC 2022 and to continue WSC 2020 discussing Motions 1, 2, and 6-16.”

.1st Straw Poll 82 yes, 36 no, 7 abs, 7 pnv

1. Opened the Queue for discussion which was a lot. Why would we come back to a WSC and not do all the Motions, we are here for the still suffering addict Motion 9 deals with that let just do it, we should not be cherry picking only some Motions and not all, Zone Seating is an issue we need to take care of it,

i.2nd Straw Poll 65 yes, 36 no, 3 abs 6 pnv Cofacilitator called this final vote of failed and the Conference was not happy that he called it a final vote without taking a final vote. A motion to overrule the Cofacilitator calling of the final vote was called so we voted to uphold the decision of the Cofacilitator, and it passed 106 yes 21 no, 1 abs, 5 pnv so his ruling held

c. Cofacilitator put forth a Motion “Do you support to come back together virtually as a WSC 2020 in this cycle with the items for decision to be determined by CP’s through email ballot. Ranking each Motion.

i.1st Straw Poll 95 yes, 28 no, 1 abs, 7 pnv

1. Opened up the Queue for discussion phrasing of how the ballots are written directly affects how people vote, we bought CAR’s/CAT’s got votes not we are going to blow that off, we voted in a straw poll by raising our hands and we don’t know how this vote was captured there’s noting in the GTWS about this, we can postpone all of the rest until 2022 nothing is that important, WB Chair says we would be fine drafting the poll and sending out for review and input before sending final version

ii.2nd Straw Poll 98 yes, 27 no, 1 abs, 5 pnv

1. Back to the Queue but before we do this has got strong support if no one has objection we could call this Final Vote. Nope hands go up I was next before the 2nd straw poll and I want to say we are in unprecedented times of a global pandemic what is happening in NA is beautiful but we have work to do to keep the doors open, this is our 1st experience living this process in a WSC our Region has not had an opportunity to discuss these issues, I'm tired and would like a break. Cofacilitator on last comment and then a final vote, we seem to be losing our spiritual principles we have been be at this for 3 hours, but we need to address this we must practice unity. Taking Final Vote

iii. Final Vote 97 yes, 24 no, 1 abs, 7 pnv Motion passes

- **Discussion:**
 - Any update on the questions or complaints? "We have not heard back from them" (the World board) but Rod will be following up with them. Rod stated that he will still be taking input on the CAR/CAT, they will still be doing another WSC to go over them. The tally sheets are still up and you can still put those in. Daniel clarified that the two complaints are about individuals using the NAWS trademark and NAWS is pursuing those issues.
 - Nada asked about a new reading. Rod clarified that the reading card says NAWS at the bottom but is not made by NAWS so they are not sure where it came from.
 - Daniel let us know that his southwest flight credit has been labelled to have access until 2022, this was in response to concerns about Jeffry's flight being purchased before the WSC was cancelled.

Alt. Regional Delegate: (Jeffrey L. filling in Pro Tem)

Dear Mid-America,

A lot changed since I accepted this position. With the stay-at-home order in effect, this really changed my professional life and frankly did not have the time to dedicate to this position. I have also struggled personally with my mental health and generally I have not been as motivated as normal. I would like to publicly apologize to Rod for not dedicating the time that I would like to the WSC. I put in as much time as I could and I was only able to attend the weekend Zoom meetings for WSC. (This means I missed the Wednesday session.)

The RD report is comprehensive and I really only have general impressions to add.

My impression of the WSC is that many of the conference participants struggled with the technology. There was also great concern about the emergency budget as there was a lot of unknowns about the future.

On the final day, there was significant amount of disunity for how to continue the WSC. As mentioned in the RD report, we have a conference participants webinar coming up (June 21st) and more will be revealed how we are going to proceed based on the ePoll results. (ePoll was the compromise for the first step on how to proceed.)

My professional and personally life has started to stabilize and I plan on digging into the information and process with greater diligence.

Finally, I purchased my flight to WSC in November. After multiple contacts with Southwest airlines, there is no refund available. I do have a credit on my account but it lasts for a year right now. One of the Southwest customer service reps mentioned that the amount of time the credit will be usable will probably be extended but there is nothing mentioned on the Southwest website at this time. I can send the balance of the funds minus the airfare right away, but if I need to pay back the RSC for the airfare then I will need to make a couple payments.

May 2020 RSC
Treasurer Questions/Notes

I had a list of items needing resolution at the May RSC:

1. Voiding or keeping checks:
 - a. #1589 to Matt M for Emporia PR to Professionals
 - b. #1590 to Office Depot (no amount written)
 - i. Beth got direction to void both checks
2. Jeffrey WSC returned monies
 - a. Flight purchased, no refund option
 - i. Verbal agreement \$100 per month until amount is paid
 - b. Beth got direction to put this amount back into general funds and start RDA escrow again
3. Annual Report:
 - a. Keep prudent reserve at \$7,000 or Change to 7,500.
 - i. Body decided to change escrow to \$7,500
 - b. Increase PO Box quarterly escrow to \$26.50 (\$1.50 increase)
4. Annual Donation:
 - a. Our policy has us donating each May. I recommend we hold off on making a donation for now.
 - b. Tabled until August RSC

We also discussed paying the quarterly installment for rent and storage. I had the option to get a debit card sent to the correct address, as the bank kept sending to the incorrect address and charging service fees. I got the bank to take the fees off and will have a debit card mailed to the PO box. Once it is received, I will set up automatic payments for the PO box, phonline, and web.

Look for the annual report at a later date that will include a breakout of income details. I will also put together a trending report to see how we have accumulated such a large balance over the years.

ILS,

Beth

Treasury Oversight Report

Mid-America Region Family,

Following last RSC I audited the RSC bank account finding no discrepancies. I have no recommendations or concerns with the RSC account at this time.

Generally I begin a full audit of Convention bank account following May RSC. I have been doing spot checks so the full audit will not be required and I will continue on with spot checks until convention happens next year.

Not much else to report. I am available and willing to help any committee treasurers in any way that I can as we all navigate through these strange times. Please don't hesitate to reach out.

⊠ Meeting Lists:

Curt S. wanted to know if we should work on creating a virtual meeting list to update on the Regional webpage and if anybody had any input. It was discussed that hopefully we don't have to use these for much longer so we may not have to go into compiling a list for these.

⊠ Meeting inventory

Debby S. sent out an email to the groups and RCM's that we need to take an inventory of all items that the groups have, this way we can track what should be covered by insurance. This email was sent to the reports email and will be sent out following the end of May RSC.

Any interim meetings that occur MUST send their minutes to ALL RCM's, make sure to send the mail copies to those that need them as well.

➤ **Attention: All RSC elected positions are expected to attend and be available during the entire RSC business meeting on Sunday! MARSCNA Policy page 7, 6-C-2**

⊠ **Old Business:**

Ⓝ **Campout Guideline Policy Change**

There was much discussion on changing the current policy for how the campout decides the location of the campout for the following year. Currently the policy is that the next campout location is decided at the closing meeting of the current campout. For 2020 this means that the campout committee will decide the location of the campout for 2021 at their closing meeting on the last day of the campout.

The motion was brought forth as a recommendation to change policy, so that if the motion is passed it will go back to groups that the regional policy is being requested to change. If the motion is approved it will go back to groups, with the recommendation of how the policy wording will be changed, for groups to vote on. The groups will then bring those votes back to region and it will be voted on to either pass or fail the motion to change policy. It was also discussed that the motion will not go into effect IF passed until 2021. There was further discussion on taking the decision away from the campout committee, it was mentioned that Soul to Soul is currently operating in the same way the campout is operating, bids for the next years event must be brought to the closing meeting to be voted upon by the committee and lock in the decision. While changing the policy would change when the campout location is decided it was also pointed out that currently you can only reserve GROUP camp sites 8 months in advance. Carrie E. stated that this was the case for the 2020 campout location, they could not reserve the park until January 1st of 2020 for the event on the weekend of July 4th, 2020. While Soul to Soul's policy was brought up, the policy determining Convention was also brought forth to bring up that the RSC Business Meeting makes the final decision on where the convention will be held at the recommendation of the Convention Committee following bids. Clarification was needed from the motion maker to ask where the decision would be made, in the campout meeting during RSC weekend, or during the RSC Business Meeting? The maker of the motion clarified that it was to be decided during the Business meeting on the RSC floor.

MOTION 02162020-02

Name: Miracle Area

Motion: To change Regional Policy at Campout Guidelines page 13 Section 1 to the following: "Designate site or sites for the upcoming campout at the business meeting of the RSC prior (May RSC) to the Regional Campout. Dates of the event to be the weekend of/or before the 4th of July.

Intent: Under the current guidelines page 13 Campout Guideline Section 1: Designate site or sites for the upcoming campout at closing meeting of previous Campout: Dates of event to be weekend of or before 4th of July. We ask to replace the language in the spirit of rotation and to add more accessibility for Areas, unable to attend the close out meeting, to be able to place bids for next years campout, and to resemble the way the regional convention is chosen.

Approved to be sent back to groups.

Motion was read as written for clarity, a vote was taken and the motion passed 6 yes 1 no. Policy is changed.

 **New Business:**

- Ⓝ Convention Chair: Normally the convention chair position is decided by the RSC body on the floor at the February RSC, whoever is voted in will take over the next convention as the committee cycles in April after our annual convention. Ben is asking the RCM's whether they would like Angie B. to take over the convention chair position or will we leave Ben the chair position till next year. This came in response to the committee deciding the roll over MARCNA 37 until the year 2021 and not hold a convention in the 2020 year due to the COVID-19 Crisis.
It was asked how Angie felt about the current position and what she would prefer. Angie stated that she is comfortable staying on as Co-Chair and stepping into the Chair position for Convention 38. RCM's voted, Ben will remain the chair for MARCNA 37 (2021) Angie will take over the following committee next year (April 2021) after MARCNA 37 close out meeting.
- Ⓝ Internet/Rent: Shelley clarified that internet was not part of our initial contract, and fellowship development is recommending that we agree to the rent change (\$100 annually) to cover the fiber optics for wifi. It was clarified that the city was asking for a minimum of \$100 to offset the cost of placing the fiber optics in the building. Much discussion on what places we have had in the past, and how, when looking for a new place to meet we talked about the fact that we need a place with internet. Shelley withdrew and said we can table this (increasing our rent payments) till next RSC. Matt M. brought out the 2018 records for the contract, as proposed, and wifi was not included in that contract.
- Ⓝ Paying Rent: Shelley W. stated that we should pay our rent as that is part of our contract. It was also brought up that we are still using the building as we have our storage area in that building, and we have a total of 10 days a year we can use the facility, this just means we are not using two of the days we originally planned on. It was decided we will be paying rent as normal.
- Ⓝ PO Box AutoPay: We were late on our payment the past three years, we could set up an autopay with the post office so we don't risk it getting shut off. The treasurer and Amber C. (filling in for PO Box) will get this set up.
- Ⓝ Printing Meeting Lists: We will stop printing meeting lists until we are able to meet in person. Agreed upon by all RCM's present.
- Ⓝ Insurance: Insurance questionnaire was mailed out by Debby S. as mentioned above. It was mentioned that this is difficult to fill out when we don't have an accurate way of reporting what groups are meeting and when because of COVID-19. Debby stated that we should fill this out to the best of our ability as a guess to see what all we "have," to make sure that we are insured on it. Much discussion on what to report, and why we are reporting. We are reporting as much as we can so that if an accident happens, we have insurance coverage on anything lost. It was brought up that Miracle Area has a fluctuating literature stockpile that could go from 7-9 thousand from month to month and how we should be looking at reporting these numbers. Debby stated that we don't need a month to month analysis to supply to the insurance company, but we need to have somebody keeping track of what we have so that if something happens and the insurance agent asks, we are able to provide them with a list of what was lost during the time of loss.
- Ⓝ Voiding checks: There was a check written to put on a PR to Professionals presentation, this check was written to Matt M.- Matt says to void this until the time comes that another check will be needed. We normally write a check to whoever is printing the meeting lists at Office Depot, it was assumed that we

should not print meeting lists as we have no way of passing out that information because of social distancing guidelines and how most of our meetings are not meeting in person currently- Curt S. said he will talk with Whitney, but we can go ahead and void that check out.

- Ⓝ Money to send Jeffry L. to WSC: Jeffry spent money on a plane ticket to prepare for the WSC, this was before the decision was made to not have an in person WSC and there are no refunds available, there is a credit on Jeffry's account but he will be using this as a personal credit and he stated that he will pay the money spent back to the region. Jeffry will be paying \$100 a month until it is paid back.
- Ⓝ Annual Report: As per policy we set the Prudent Reserve at the May RSC. The treasurer made the recommendation that we keep the Prudent Reserve at \$7000 and increase the quarterly escrow to \$26.50 for the PO Box payment, which is a \$1.50 increase.
- Ⓝ Annual Donation: The treasurer recommends that we do not make a donation at this time.

PR Facilitator Report, May 17, 2020

Due to the current exigent circumstances, I spoke with all the coordinators and decided not to meet. However, all provided reports (see below).

Highlights and items to take back to groups:

- The following positions are open. **Please take this back to groups!** - See RSC Guidelines for full qualifications.
 - Secretary: 1 year clean, 6 months involvement with PRC, access to a computer and internet, ability to take precise notes.
 - H&I coordinator: 3 years clean, 1 year, H&I experience, working knowledge of H&I handbook and PR handbook.
- Due to current circumstances, regional meeting guides were not printed.
- Phonenumber volunteers are needed.
- While the Presentation to Professionals planned for the convention was cancelled, due to overwhelming demand, it is planned to hold the event when possible.
- Ten online meetings within the Mid-America Region are now listed on the website. If a group wants to have their online meeting published, send the information to info@marscna.net.
- BMLT server in testing phase, to be completed in the next 2 weeks.

May 17, 2020

Due to the COVID 19 pandemic, Whitney F and Curt S had a discussion as to whether to print meeting guides for this RSC.

Our belief was that we should not for the following reasons:

- It seems inappropriate to add virtual meeting information to the RSC meeting guide, as much of it will become obsolete in the following quarter.
- We can make our updated meeting guide available online, adding text to it that says to check for virtual meetings online(the Webservant can update our current Online Meetings page as needed).
- The RSC is virtual so there is no opportunity for direct distribution. This means that if we want to send them out we would incur unplanned expenses and a lot of additional effort around collecting shipping addresses, etc.

We then sent out an email to a number of trusted servants and the response was to not print, but bring this up at the RSC. We are open to suggestions and direction.

Thank you for allowing me to serve,

Phone Line Coordinator: 05/16/20

Hello all, I want to thank you all for allowing me to serve. The phone-line is up to date, well to be vague there is a lot not correct with meetings closed. I was trying to stay up on this, and now see most now, if not the call and get information. I have continued to post phonenumber flier asking for volunteers to answer phone-line. I have not added any new people to phone line. We have 18 live addict volunteers. We could use twice as many, yet up two. I have made a effort to communicate with the live addict on list just to communicate all is well. **Please take back to groups need more live addict to add to phonenumber. You need to have 1 year, clean and served in some service positive at either the group, ASC, or RSC in the last year.** We had a total of 142 total called and 6 voice mails, answered by myself. 421 minutes of service was used, bill was paid, thank you. We are fielding a majority of calls from the 316 and 785 area code. As always phonenumber@marscna.net, if you have any questions or comments, feel free to contact me at 620-664-1860.

Thanks for the privilege to serve your region. My hope is that we will expand " live addict" service from 24 hours and continue to reach addicts without internet service, the visually impaired or wanting to talk to another human about where to find our fellowship.

Thank you all Wayne S.

BMLT move from the Texas/Oklahoma server to the Plains States Zonal Forum (PSZF) server:

While it was desired to have this completed by this RSC, it is not complete. However, we have made substantial progress. As of now, the following is complete:

- administrative credentials have been provided and tested on the PSZF server,
- all service bodies have been entered in the PSZF sandbox and production servers,
- an export was taken from the TX/OK server and provided to Barry (webservant for PSZF),
- using a specially developed script, the database export has been imported into the sand box server,
- Initial review shows the import to be successful.

Remaining to be completed:

- In-depth review of meeting data in sandbox server, along with format resolution,
- Review of meeting data in sand box server against the meeting information as provided by the meeting list coordinator,
- When those are complete, take SQL dump of the data from the sand box server and import into the production server.
- Delete the data from the TX/OK server
- Set up the BMLT satellite Wordpress Plugin on the marscna.net website.

Our current estimate is that the remainder of the work will be done in the next two weeks.

Maintenance:

- **Events:** Activities are added to the events calendar within 2 days of being emailed to the region. If there are issues with the formatting or the size of documents and PDFs that are emailed, this deadline has at times been pushed to 3 days. A follow-up email is always returned to the sender stating that the update has been posted and/or requesting additional information, if it's needed. **Please make sure that requests for activities to be added to the events calendar are sent to info@marscna.net .**
- **Online meetings:** As of now, there are 10 online meetings listed on the marscna.net website. The page can be found by navigating to the Printable Meeting Lists page and clicking the link there, or directly at <https://www.marscna.net/online-meetings/> . **If any group that is a part of this region would like their online meeting listed, please send the information to info@marscna.net.**
- **Newsletter:** Summer newsletter published to website.
- **Site Updates:** Wordpress updated from 5.3.3 to 5.4.1. Several plugins updated. Contacted NAWS and got the hex code for the blue used on the Basic Text color and changed the site banner to that color.

Roadmap:

- BMLT - additional plugins for meeting list generation, and eventually, YAP
- Virtual Resources (in support of Fellowship Development)
- Further dive into analytics
- Sizing issue with banner
- Web page for Professionals

Analytics & BMLT server:

- Please see attached..

Please feel free to email or call me with regard to any questions, website needs, or concerns.

MARCNA XXXVII

A Vision of Hope

Lawrence * Kansas 66047

May 16, 2020

Dear Convention Attendee,

Due to the National Pandemic we have faced over the past couple of months, the MARCNA committee has decided it was in the best interest that MARCNA XXXVII will be taking place in 2021 and not 2020.

So now, MARCNA XXXVII, A Vision of Hope, is taking place on April 16-18, 2021, in Wichita, Kansas at the Hyatt Regency hotel. Your registration and any merchandise, food and entertainment that you paid for being carried forward to that weekend in 2021. The only thing that you will need to do is make new hotel reservations with the Hyatt Regency. The information for the hotel is as follows:

Hyatt Regency
400 W Waterman
Wichita, Kansas 67202
316-293-1234

Thank you for your understanding during this difficult time. We appreciate your support during this decision-making process.

In grateful loving service,

Michelle L.
Registration Chair & MARCNA Committee
