**Central Kansas Area:**

Hello Regional Family,

CKA is thrilled to announce that the Pratt "Tree of Life" group has joined our area and they hosted the November Area meeting. It is an energetic group with fresh ideas and passion for service. There are flyers on the table letting you know when the meetings are in Pratt; pay them a visit, it will be worth the drive.

The Larned "Just for Today" group would like to thank everyone from around the region who supported their annual rib feed. It was a great success and next year's event is already being talked about.

Our annual Christmas Dreams function is December 12<sup>th</sup> at 2701 17<sup>th</sup> in Great Bend. We will kick off the day with Area business, followed by a traditional holiday meal, area birthday celebrations since September, speakers and a visit from the fat man in red. If you're free that day, please join us. Feel free to bring your favorite holiday side dish or dessert.

We continue to coordinate with volunteers from Salina to provide Narcotics Anonymous meetings twice a month to the inmates at the Ellsworth Correctional Facility. There are also H&I meetings provided to the men and women in the Barton County Jail monthly.

This will be my last RSC as CKA RCM (how's that for over-using acronyms). My term will be up before the February meeting but of course I will continue to attend this meeting quarterly. It has been my great honor to serve the Central Kansas Area for the last year.

In loving service, Sally R. RCM

Nov 15, 2015

Hello RSC,

FFF is doing well. We had a couple of activities in our area. We had our annual murder mystery and everyone had a bloody good time. We also had our annual Friday Fright Night with a great speaker and fun dance. The Alma group celebrated 2 years as a group with their annual Chili Contest.

We have a couple of new groups in the area, The Right Step in Sabetha and Dirty Little Secret in Ogden.

Our Outreach posse is still going strong, getting people out to mtgs. Lots of fellowshiping with people you may not normally see.

We have our Guidelines in good working order now.

Coming up is our New Year's Eve dance being held at Potwin Church.

This will be my last RSC as RCM. I have really enjoyed being a part of in this capacity.

Thanks for letting me serve.

Aimee K.

### ***Primary Purpose Area***

Good morning NA family. Primary Purpose is still struggling however we have made some progress. We have been able to finally get our bank account and I'm very happy this is one issue that is finally being straightened out. We have also been tossing around some ideas of a fundraiser to do in the future. We have also decided to pass the basket at Area to build up our funds in order to do this.

H&I efforts are going on in Hutch, Lyons and Newton. PI efforts with pamphlets being passed out. Attendance in Newton, Lyons and Hutch is holding steady. I'm very happy to say that all my efforts to keep Area above water and a big thanks to all attending. I believe we will make it. Newton H.O.W.'s Turkey Feed event went well and was well attended. Thank you all for letting me serve.

In Loving Service

PPA Chair / RCM

P.S. We have a new group in our Area. Solution Seekers, Thursday @ 7PM in Hutchinson – 400 W. 2<sup>nd</sup>. We do have another group, Choices, not wanting to join our Area. Hopefully we can persuade them to join.

### ***OZ Area:***

Good day to all, recovery is happening in OZ Area. The groups are thriving for the most part. At our last Area meeting, we had representation from every group in the area, Norton, St Francis, Burlington CO, Goodland, and Colby. What a miracle it has been to be a part of.

We have had several new meeting rise up, mostly in St Francis and Colby. The St Francis Recovery Today group has Closed NA meeting at their new meeting hall on Mon, Wed, and Thur, with a book study on Wed. The open meeting is on Sat and is a candlelight / fireplace meeting. All meetings start at 7:30 pm and are scheduled for an hour. Regular attendance has been averaging 7 to 10 addicts, with as many as 15 on occasion.

The Colby New Hope group has had great success with the new meeting at 6:30 on Tuesday, Open NA. Starting today, there is a 6:30 Closed Women's meeting in Colby at City Hall Basement. It's taken years, but the need is there, and gals are making it happen. Regular attendance at the New Hope meetings have been at least 5 to 7 addicts, and for three weeks in a row there have been at least 24 in attendance at the Sunday 8:00 Candlelight Meeting.

The Goodland Freedom Today group had some problems for a while, but came to area and requested help. Members from the Colby group have been helping out and making sure the doors are open and the message of freedom from active addiction is being carried.

The Norton group is getting re organized, and the area is now taking a meeting into the Valley Hope Treatment Center on every other Saturday night. The first meeting was lightly attended, but the message was carried with the language of the heart.

Burlington has been hanging in there, and we are still all connected.

H & I work is continuing on, with the monthly visit to the Norton Prison. Recently, we've been given an opportunity to bring literature into the Thomas County Jail. It's a start.

New Hope will be hosting the annual Christmas Party on Dec 6th, at the Community Building Basement in Colby. This will be a pot luck event, and there is a flyer out.

A lot has been going on in the area, and it's been refreshing to see our groups grow and the newcomers have a safe place to meet and grow with us. Thanks to all who carry the message and keep the doors open. I'm sorry I was unable to attend this RSC. I'm grateful Kristen has been able to join the ranks. Warmest regards to all, Happy Holiday's, be well.

#### ***Archivist:***

Hello family,

Due to purchasing a new printer/scanner I am once again able to scan duplex documents with no jamming (so far). The first document that was added to archives was Nov. 1990 RSC minutes, which will be emailed

to the website for inclusion. I have a box full of Unity ASC minutes from 1990-2000 that will eventually get scanned in, possibly on a snow day this winter. I initially hadn't planned on taking this task on, but out of all our areas Unity has the least amount of scanned minutes in its folder. As an active member of that area during those years, the box is from my personal collection which now belongs to the region and will be stored in the filing cabinets once scanned.

Speaking of filing cabinets, I haven't been to storage this quarter, but do have a small load ready to be filed away. This includes past files and merchandise from various subcommittees, excluding any media or vinyl banners that don't like harsh elements.

As always, keep looking for documents, speaker/workshop tapes, or merchandise from the 1970s and '80s. There is not too much undocumented after those years.

Gratefully serving NA, Tim S.

### ***Campout:***

All in all, we've had an outstanding start and we have an exceptional committee. I am asking that everyone please bring auction and raffle items to the February RSC. Fliers for the campout will also be made available for distribution at the February RSC. I am hoping that you remind your Area and homegroup members that they should plan to support the longest running free NA campout in the world.

### Officer Reports

- Programming: As the Chair of the campout subcommittee I'm enthusiastic to report that we are finalizing our programming. We are planning again to feed everyone on Friday evening, Saturday morning, Saturday evening, and Monday morning. Jeffrey L., Campout Programming Chair, is asking for input on speakers from around the Region.
- Recording Secretary: The campout subcommittee is grateful that the secretary position was filled on Saturday at Region. Thank you Tracy C. for your willingness.
- Co-Chair: The campout subcommittee is still looking for a co-chair. The hope was that someone who had some willingness would show up at Region to step up but no one has. ***Please take back to your groups that the campout co-chair position is open.***
- Merchandise: Accolades are in order for Elizabeth S. for doing such a stellar job with merchandise. We are reordering some items that sold out and we are requesting artwork for the 2017 campout. We would like to provide the next campout committee with the same good start that we've had with Elizabeth's help for the 2016 campout.

### ***Convention Report:***

Hello all, so proud to be a part of this region and of MARCNA XXXIII.

We are making positive progress, in ways of following the time line. We have some exciting soon pertaining to our coming entertainment, Friday night will be a live D.J. to dance and fellowship with, don't forget the auction also that night, Saturday will be a live comic, with a auction this night also, please don't miss this attraction! Looks like our entertainment Chair and Co-Chair is working hard to make this entertaining appealing. We are working steady to finalize our merchandising items. We did a walk through of the motel and did a layout for the convention, and finalized badges.

Thank you for allowing me to serve, Wayne S.

### ***NAWS Contact:***

Hello family,

I updated RSC officers and subcommittee chairs the Sunday of last RSC after elections and obtaining proper information from each candidate. The most crucial was R.D. Alt., which needs to be in the mailing loop from NAWS as a conference participant.

Updating groups is a never-ending journey, getting all required information to make those updates is the pot holes in that journey. I have new group/group update forms and I want to point out one key instruction on it: "Please complete all information". The group contact, or member that is a stable group member and can

forward any communication from NA World Services and the group, needs to give all personal information. First and last name, home mailing address, phone, and email. I still come across many groups with contact information on hold, which means no communication will take place between NAWS and them. Most of the time it is due to email address only given, others due to groups failing to update that when the past contact moves away or changes groups.

I have also encountered a case where one group is listed twice, maybe with a slight change in name. If you want to add a new group or one that has resurrected please do a search in the NAWS database first. There is a chance your group already has a number registered to it and just meeting times, location, and contact need updating.

Gratefully serving NA, Tim S.

### ***Fellowship Development:***

Hello Family,

Fellowship Development has lots of stuff going on and recovery is alive and well in our Region. We have a meeting in Pratt who has joined the CKA area, and a meeting in Wichita called Plane O NA that has joined WMA. PPA has a group called Solution seekers that is almost a year old now. Unfortunately a couple of meetings have also closed. Iola has closed its doors and Clean N Crazy in Salina is no longer meeting on Saturdays. However they still meet on Wednesdays and Fridays at CKF in Salina.

We discussed the Mid-America Facebook group and it was decided that the admins will be the Fellowship Development Coordinator and Co-Coordinator, and this no longer needed to be a standing workgroup.

We also discussed the Campout Venue workgroup, and we would like to see this workgroup become absolved due to no interest in this. I will be bringing a motion to the floor today regarding this.

We had 4 breakout sessions:

### **MAN Newsletter**

Due to life on life's terms the newsletter did not get printed prior to the RSC. Flo will be mailing out what she cannot get to groups and areas. We are requesting funds not to exceed \$50.00 for this today. Flo will be doing our February newsletter but after that her term is up and she will not be able to do the newsletter.

Please take back to your groups and areas that we need a Newsletter Editor, so we can continue this newsletter. As always they need submissions from all of you. I know we have members in our region with lots of experience, strength and hope. Let us hear about it!! There was discussion in this workgroup on possibly combing the Newsletter with the Regional Meeting Lists. They were not sure if this would save us money or not. More will be revealed on that as they do some checking into this.

### **Events**

There were 4 topics discussed during this workgroup.

- This weekend's dinner and entertainment
- Next RSC which is Feb. 20<sup>th</sup> and 21<sup>st</sup>. We will have a speaker meeting at 7:30pm. Flo has agreed to share her experience, strength and hope with us. We will also have a raffle and auction. Please take back to your areas/groups that we need auction/raffle items. Bring them with you in February!
- Service Assembly will be held in Salina from 1-5pm on March 12<sup>th</sup> at the Unity Area's St. Patty's Day function. More will be revealed on location.
- Upcoming CAR/CAT Workshops
  - Jan 30<sup>th</sup> – Lawrence – World Board participation
  - Feb 13<sup>th</sup> – Wichita
  - Sometime in Feb – Yates Center
  - Sometime in March – Dodge City
  - April @ MARCNA Friday Afternoon

### **Soul to Soul**

Soul to Soul met and are recommending a chair for the 2016 Soul to Soul which will be September 30<sup>th</sup> – October 2<sup>nd</sup>, 2016. They have a report they will be giving today on the floor as well. They also had their wrap up report for 2015 Soul to Soul. You will hear more on this when Ben gives his final report.

### **RSC Insurance**

It was discussed they wanted 2 quotes. The other insurance provider besides Philadelphia has pulled out of the state. No alternate bids available.

Thank you for allowing me to serve! ILS – Amber C.

### ***P.O. Box:***

I have been checking the PO Box all quarter – I last checked it on Thursday. Here is what we have received:

- Speaker CD's
  - Barry K – Monterrey CA
  - Dan T – Sacramento, CA
  - Susan G – North Palm Beach, FL

    - I gave all of these to Daniel – Programming Chair for Convention Committee

- Hole in the Wall Newsletter – I gave this to Flo
- MRCNA 32 Registrations (MS) – I laid these out on the table
- Region 51 Convention – October 30-Nov 1<sup>st</sup> Las Vegas – I laid these out on the table.

Thanks for letting me serve.

ILS, Amber C.

### ***Public Relations:***

Good morning family,

Once again we had a successful Public Relations Committee with a lot of work being done in 3 different workgroups –

**Media** – Did not meet today but Megan reported that she ordered the correct amount of meeting lists this time. If you want your information to be up to date, you need to get those changes made at least 2 weeks prior to RSC weekend. If you wait too long it will be the following quarter before those changes will be reflected in print.

**H&I** – There was a letter received at the PO Box from an inmate who is currently in the Seward County jail. Alan B will write back, letting the inmate know we have received his letter and will send him a flyer for P3 and let him know that a project is being worked on that will eventually allow for Sponsorship behind the walls. The return address used will be the regional PO Box. This work group also discussed a request to send NA literature into the Thomas County jail. The jail administration will not allow an NA meeting into the jail but an AA volunteer has requested that NA literature be sent in as there is a need.

**Phone Line** – The work group tested the conference call option at phone.com and worked to update the meeting information. Nate also talked about continuing to work on having the live addict option for our

phone line but we continue to have a lack of volunteers. If you are interested in being a phone line volunteer, please get your information to Nate F. There was also discussion about the length of the term and the need to be training someone for that position.

**Web** – We do not have an elected web servant but are thankful to Daniel for taking care of this important task. Ed may have willingness in the future but needs some training. This is a very important position to our public image and I hope you will all bring this up in your meetings. I know there are addicts out there who would love to being involved in this type of service.

**Presentations** – The presentation workgroup practiced their presentation and received much thoughtful feedback to improve the information given. We are excited for another opportunity to share about Narcotics Anonymous with professional and look forward to Amber C being a part of the team. Please, Please, Please get your meeting lists update on the regional meeting list so that when we do our live tour of the website the information is up to date and we put our best foot forward. This workgroup will try out the conference calling option suggested by the phone line workgroup for our next remote meeting. We also would like to let the region know that the funds set aside to pay for the CEUs were not needed and appreciate the work Nate did to gather information from BSRB. We will provide certificates for 3 CEUs to each professional in attendance. Woohoo.

We have submitted 2 requests for funds – for 5 basic texts and the funds for the presentation in January. Also - Just a reminder to please fill out a regional survey. The information gathered is used in our regional PR efforts. Rod has surveys available today. Please take some back to your home group and fill one out yourself before you leave today.

In loving service, Sally R

Hello NA Family

I first would like to thank the 2014 Soul to Soul Committee and RSC for allowing me the Honor to serve as 2015 Soul to Soul Chair.

My first Soul To Soul helped me to realize I wanted and needed NA in my life and now after serving as Soul to Soul Chair it is not only an annual event I attend it holds a even bigger part of my heart and soul.

From the greeting and hugging each person when they walk in,, the anticipation of each person as we share around the first campfire meeting, to the sharing of the past years life events in the Mens/Womens meeting, getting lost in the woods with fellow retreaters cause you are to busy talking or you just lost your direction. to the staying up all Saturday night drinking coffee and playing games and laughing and then the finial Tears/ share at the last campfire sunday morning. This year I got to have the Honor and privilege to see and experience these true Miracle that happen in each Soul that was in attendace. So Thank You!

Well the 25th Soul To Soul Is in the book as a Spiritaul Success.

##### ***Regional Delegate Report:***

Howdy all members of the Mid-America Region. I just did a quick count of our latest Regional meeting list and we have 84 groups that meet at least once per week.

In my report this quarter I'll talk about our participation in the Plain States Zonal Forum, August 28th-30th, Des Moines, Iowa. The coming Lawrence, Kansas Zonal Forum in January, the plans for the Conference Agenda and Conference Approval Track Workshops in the coming months and the need for Incorporating our Region.

The Des Moines Zonal meeting in August was attended by Jeffry and myself. I rented two rooms for the price of one at a different motel than was suggested with the idea of making this event available to more members of our Region. John S. and Chris H. stayed in extra beds and helped and participated the entire weekend. We are returning unused per diem to the Treasurer. The weekend began Friday morning with a Presentation to Professionals in which the Iowa Region presented information to probation and corrections officers and drug counselors. This information consisted of statistics about Narcotics Anonymous membership, our literature, where to find us, a personal story and a mock meeting. The presentation went well but unfortunately the number of professionals in the audience were few. Either way, it was a good practice event for the committee to continue to provide this presentation as part of their Public Relations effort going forward. As our (Mid-America Region) PR presentation committee was in attendance, I believe they were able to take away good and bad from the presentation and will apply the information to their next projected outing in January at the Lawrence Zonal. Saturday was filled with 4 workshops about the Issue Discussion Topics, one of which I was a presenter. Issue Discussion Topics The evening was capped with spaghetti dinner provided by the local NA fellowship and a Speaker Meeting. Sunday was the business meeting for the Zone. Some basic information that came from that meeting.

- The next Zone will meet in Lawrence, Kansas, January 29th, 30th and 31st.

Our Next Zone will be in our Region, and I invite all who can attend to do so. Note - that weekend will be Kansas v. Kentucky basketball game, so book your room as early as possible. Most are staying at the Baymont Inn. We will have a PR to Professionals presentation from our Regional PR committee on Friday morning, Saturday will consist of a CAR presentation with participation by a World Board Member. The evening will have some event and speaker meeting to be announced as we get closer to the date. Sunday will be the business meeting. We are excited about having the Zone meet in our Region and look forward to showing how a successful PR presentation looks to the other 5 member Regions. The Conference Agenda Report is due out in about 9 days. (It's actually out now and can be downloaded by visiting [World Service Conference](#) )

Jeffrey and I plan to purchase 12 Conference Agenda Reports -one for each member Area to be distributed in February at the RSC. and 3 extra for sale. The same will be done for the Conference Approval Track. We also plan to have workshops around the Region to present information contained in both CAR/CAT.

The workshop dates are tentatively scheduled for

1. January 30th - Lawrence, 946 Vermont FUMC basement
2. February 13th - Wichita
3. February ? - Yates Center
4. March ? - Dodge City?
5. April - MARCNA Hutchinson

**As your Delegate I plan to represent YOUR conscience at the World Service Conference in April 2016.**

**I believe that this can be accomplished by providing a written tally sheet to each of our 84 member groups of the motions and proposals and, since we are asked to vote on items of new business which are not necessarily contained in either the CAR/CAT, issues of discussion or interest to NA as a whole and the Mid-America Region specifically. Please plan ahead, set time aside to attend the CAR/CAT informational presentations and to hold a conscience for your Group.**

The last item I would like to talk about is Incorporation. In reviewing our bank information and liability exposure, I believe it is time for this service body to become law abiding and register as a not-for-profit corporation with both the State of Kansas and Federal Government. I will ask that a committee explore the process and need for our doing so and report back to the main body at the February RSC. I am grateful to serve as your Delegate,

***Secretary Report:***

Hello Mid-America Regional Family!

It's Service Committee Meeting time again, and I must entreat you all to tender your team testaments in a timely manner. This will thwart trial and tribulation and turn tragedy to triumph. Teammates trust me to transcribe these treatises and transmit them to their targets ere the turn of two weeks. Seriously, this typist is traveling Tuesday through Thursday, trimming three twenty-fours from my time, so please, turn from temptation to tarry. In simpler terms, get me your reports promptly!

Thank you for allowing me to serve the fellowship, Ed B., Secretary, Mid-America Regional Service Committee

Financial Report Appended Below

Hi family,

I have a couple things before we get into the numbers.

If you turn in a request for funds, I am not coming to you with your check anymore. I am now asking that you see me at the conclusion of business on RSC Sunday. The reason for this is because a few checks were not signed for and I got an email right before region regarding monies. I would like to avoid this in the future.

If you receive a check for a specific reason, please do not void those checks if you are unsure what they are for. Please check with me first, don't assume what it is for. As my dad once said, "poor planning on your part should not constitute an emergency on mine." If you have any questions about your request for funds at any time, don't hesitate to ask. I am available throughout the quarter for questions; just call or email me any time.

I also wanted to let you know that I brought back the \$50 that I asked for last region for the new checks. I found after looking and looking, these checks that we have are not a standard size. They are only made by Deluxe and they are compact. To buy another 300 checks it would be approximately \$80 with shipping. So I would like permission to use the debit card instead and have a NTE limit of \$85 to buy the new checks instead this quarter.

Thank you for all your understanding and patience as I get comfortable in this position. This first year has been an experience! I am sure that once I have everything perfectly in place, it will be time to turn it over.

In loving service,

Michelle

### ***Open Forum***

Danita S.; how about combining M.A.N. and meeting list for simplicity?  
Flo H.; will check with City Blueprint to see if there is a cost difference

Nate F.; makes it more attractive to members, we can watch editing to make it ok for P.R.  
Ben T.; make a special printing for P.R.  
Daniel C.; M.A.N. has no expiration date, meeting list does. We keep and use M.A.N. for decades, old meeting list is bad

Sally R.; let's combine the Motion form and the Request for Funds form  
Nate F.; I will look at designing a new form

Nate F.; Open Forum is a valuable tool, put it before business, can get topics out in the open  
Sally R.; also a forum for grievance  
Janet W.; also can eliminate some issues from Old/New Business
