June 29th – Living by Faith Day in the Park – Great Bend

I put flyers for all of these events in the other room, so please take them back to your areas and pass the word. We'd love to see all of you come!

For PR week several of our groups have discussed doing Flyer drives in their communities to spread the word about recovery in our communities. We are still taking an H&I meeting into the Ellsworth prison and discussion about getting back into the Barton County Jail has begun. More will be revealed.

May 19th, 2019 Minutes

Women's Retreat is on their way to another great year and are selling t-shirts. If anyone is interested, I have them here today with me. They are \$15, and I have most sizes available. Men's retreat is gearing up for their 1st annual retreat in July! They are selling raffle tickets for the Men's retreat for some awesome literature. Tickets are \$5/ticket.

Wecovery in Great Bend has added a new meeting, so we will have new updated meeting lists soon.

We discussed the Naranon issues and have brought back a motion regarding this.

CKA RCM

Fellowship for Freedom Area:

Hello family,

Freedom for Fellowship elected a new RCM in March, Nada.

Home groups continue to do well in the area and we have a couple of groups hosting events coming up this summer.

- United Survivors will host their 42nd anniversary picnic on Sunday, June 23rd directly after their Sunday meeting. Come for the meeting at 3 pm and stay for the barbeque.
- NA at the Rescue Mission is hosting their annual Festivities in the Park on Saturday, July 13th at Garfield Park in Topeka.

The area level continues to struggle with 8 open positions, but members attending area are doing a great job stepping up to take care of what is needing to be done. We also recently discovered the post office we had our PO box at closed our account. With the future of that post office location being questionable, we decided to open a new account at a different post office. Our new address is PO Box 3874, Topeka, KS 66604.

We have a \$500 donation today.

In loving service, Nada and Megan.

Just For Today Area:

Hello RSC family,

Recovery is alive and growing in the JFT Area. Two new groups have joined our area, Eureka and Fredonia were both given starter packs and intend to have one meeting a week each. Meeting times and locations will be sent to website as soon as it is available.

Freebirds group in Independence is gearing up for the 21st annual Recovery Fest campout June 7-9. This will be at the same location as always at Elk City Lake State Park, in Independence, KS. Hope to see you there.

The JFT annual Mirror of Miracles free campout will be held September 13-15, at Big Hill Lake in Cherryvale,KS. Save the date flyer is on the website.

Pioneer Group campout will be held Labor day weekend Aug. 30-Sept.2, at John Redmond Reservoir, Burlington,KS.

The Neosho County Health Department contacted one of our members requesting meeting list information. We decided to provide the regional website and phonenumber, due to the fact that it will remain updated in the future, whereas a printed list wouldn't. They had several questions regarding how do you get people to attend meetings, how could they better serve people in the community, etc. We are looking at maybe a PR presentation to them at the area level to better help them understand how our program works.

We have a vote on the Nar-anon motion.

We have a \$200 dollar donation to the region.

I have stepped down as RCM as my term was up. This has been a very rewarding experience for me. Thank you all for helping me grow in this fellowship. I am looking forward to serving this region in the future.

In Loving Service,
Rich C

Miracle Area:

Hello, Mid-America Regional Family!

The Miracle Area continues to increase our efforts to carry the message of recovery. Meetings across the Area are literally packed to overflowing, addicts are staying, working steps, and staying CLEAN. We did have two meetings close, the Men's meeting which Larrytown Group hosted, and the Women's meeting at Lotta Soul. These did not have enough attendance to continue, possibly in part because the Area had three other meetings on Saturday. These losses are balanced by the addition of a new group, Countryside Group of Lecompton, Ks. which meets Thursdays at 7:00pm. This gives Narcotics Anonymous a presence in the Perry-Lecompton area northwest of Lawrence and brings the total number of meetings in the Miracle Area to 25 meetings per week!! Beat THAT, Los Angeles and New York!!

The Area Activities Sub-committee hosted the Second Annual Spring Clean Campout at Clinton Lake a couple of weeks ago, themed "Three Days of Peace and Recovery." The campout was (again) a tremendous success, as we fed, entertained, and tented around 250 YEARS of clean time. The persistent rain took the weekend off, and it was dry through the entire campout, or at least while I was awake. Larrytown Group again provided breakfast for hungry campers Saturday morning, and the Clean Dirty Hippie Band entertained, with guest appearances from Miracle Area members Scott K. and Michael A. on guitar and "Bad" Dan B. wailing on harmonica! We did run afoul of the LAW (not really), as the County Sheriff's Deputy rolled up late in the night. He disembarked, sat at the campfire, and visited with members for a while, then went on his way. It's good to be in recovery.

Lotta Soul Group hosted its annual LottaPalooza Speaker Jam fundraiser last weekend. The group offers the Basic Text to newcomers free of charge, and this function pays for the books. They were able to order 112 Basic Texts for the effort. In addition to Lotta Soul, Step by Step offers the Step Study guide free of charge to any newcomer who has a

sponsor and needs one, and across the Area, it's well known that no one goes home without needed literature for lack of money! Grateful Addicts Give Greatly. Speaking of literature, the area has Literature Study meetings going at several groups weekly. Literature has been flying off the shelves, and Lit Chair Tim S. has been placing 4-digit orders from NAWS.

Thank you for allowing me to serve,

Ed B., Miracle Area RCM

Hello regional family, hope everyone has been doing ok. Primary Purpose is doing well. Gift of Life is doing fantastic, paying bills and maintaining an atmosphere of recovery. May 4th GOL had its 30th anniversary celebration. It was well attended, good food, fellowship and fun. GOL will also be gearing up for its campout June 7th-9th, 2019 at Lake Afton.

Lyons Night Flyers has been doing well, finally had a member step up and regularly open the Wednesday meeting. Lyon's attendance has increased to anywhere from 10-15 on Sundays and 3-5 on Wednesdays, all is well. The March function however cancelled due to lack of interest, apologizes.

Newton HOW is doing well, meetings well attended. HOW is gearing for its 40th anniversary and campout for Memorial Day weekend, the campout will be at Harvey CO. East Lake, weather permitting (LOL).

McPherson Flying Free is doing well; they have a speaker meeting the last Friday of the month. So, for the most part our area is doing well with functions and service work. Also, our area voted yes on the motion to add Naranon info number.

Thanks for letting me serve,

Becky B. PPA Chair

Ⓝ **Unity Area:**

We are having a Halloween function at the Friendship Center in Salina. Doors open at 5 pm, dinner at 6 with raffle and auction to follow (costumes optional).

Abilene moved their Wednesday night from 8:45 to 7:00 pm.

Clean & Crazy in Salina is looking for a new location.

We have a \$100 donation to region.

Ⓝ **Wichita Metro Area:**

Hello regional family,

I am now Wichita Metro Area's acting RCM. Lori B. has declined to step up for RCM, due to living in Hutchinson and choosing to GOL group or Primary Purpose Area.

1st things 1st group has dropped out of WMA and joined Just for Today ASC.

WMANA had their 1st, for this year, campfire meeting at Watson Park at 8:00. It will be the 2nd Saturday of every month from May-Sept. May's had 53 addicts present, good meeting. We have a different group for each campfire meeting chair, making effort to get all groups in area involved.

The banner wars are very active with groups visiting other groups to get banners, having fun in recovery. H&I is holding onto all commitments to facilities in the area, we have an H&I meeting the last Wednesday of the month at 6:00, 3709 W. Douglas. Need new people to get qualified to participate, 30 days to sit in, 90 days to share.

Events: **Unity** will be having their spring fling on May 25th, having birthday night and dance to follow, with auction and raffle.

Living Clean of NA will be having their 6th annual function on June 15th, doors open at 3:00 for fellowship; 5:30 potluck; 6:15 auction/raffle; 7:00 speaker, DJ to follow. This is at 3735 W. Douglas.

WMANA campout is September 28th-30th at Lake Afton, flyers are available on the website.

We have several open positions: RCM, RCM alt, Secretary, and Co-Activities. We vote "no" to the regional motion and are donating \$80.00 to region. We are working on an area inventory.

Love,

Wayne S.

Subcommittee Reports:

Archivist: Open position,

Hello all,

Since there is no regional Archivist, donations are still coming my way. While at MARCNA, I was asked to go out to Don C.'s car where he opened the trunk and pulled out a dirty, torn up trash bag with a pile of papers, some previously wet and now moldy. I carefully carried it back in to my archive display and started sorting; chills went up my spine with each piece of paper that came out. What Don, from Topeka, had donated was correspondence letters, Oklahoma and Missouri state meeting lists, literature orders, plus the first three regional directories.

These had come from Cindy P., the first newsletter editor and only regional service office manager for Mid-America Region. Don had carried this around in his trunk for several years, but was finally forced to buy another vehicle so had to clean the trunk out. Cindy told him just to pass it on to me, most likely because I constantly bug her about sharing old minutes and newsletters every time our path crosses. Everything in that sack ranged from 1980 to 1983, the formative years of Mid-America Region. I have scanned in some of the documents and have included them with the digital archives shared to the flash drive.

The remaining MARCNA merchandise/registration packet, and speaker CD set was donated, and added to storage room. Since no invitation was sent requesting past MARCNA banners be brought for display, I believe the only banners shown were what came out of our storage. Through a discussion with Ben, it was thought all the mini banners could be linked together to make a few large banner size displays. I would like to take this a step further and reproduce as many past banners that are either too frail to travel or just lost to this region. Getting a high-resolution scan of original flyers can get quite a few theme designs to work with. A task I hope to get started soon.

Hopefully someone will step up to take over archivist, if anything for the attempt to organize what we already have.

Gratefully serving NA,

Tim S. – MARSCNA Secretary

Campout:

Hello Family. We had our quarterly meeting Saturday. All went well. The final menu and activities are scheduled.

We will recognize clean time birthdays on Sunday at 9:30 am, before the speaker.

The next interim meeting is Saturday, June 15 at 11:00 am at Chautauqua Park, Beloit, KS.

MARCNA 36 Final Report:

I am sorry I am unable to be there in person. I had a trip for work that I needed to attend. I am available via cell if there are any questions. Thank you to Ben for being willing to deliver this report.

We believe in most ways you can measure, this year's convention was a success. Post event feedback regarding the program, meeting facilities and overall recovery atmosphere have been positive. While we had a few minor challenges, overall the event went very smoothly.

Lastly, thanks to the fellowship's generosity, we were able to raise a significant amount for donation to the RSC.

Registration:

Even with the challenge of the limited hotel rooms, we felt like there was a strong turnout.

Pre-Registration - 160

At event registration - 273

Newcomer Registrations - 35

Other Highlights:

- We celebrated 3460 yrs, 2 months, 3 days of clean time
- We distributed 3+ cases of books at the Saturday night speaker
- Re-established a 250+ name mailing list for MARCNA 37

Entertainment:

We did have some concerns over the mature content of the Friday night entertainment. While we made some announcements before the event, we see now that a specific listing in the program would be good for future 'mature' events.

Technology:

We tried some new things this year with technology. We had a couple challenges, but overall it served us well. Use of the Google drive and Google apps to share documents, made it easier to work things together and made it very simple to pass on our work to next year's committee.

All detailed reports/receipts can be made available by request to the MARCNA chair. Mark M. already has access to begin his financial review.

Donation to Region: We believe that establishing the larger start-up money (*increased from \$5K to \$7K*) was a good decision for last year. We are recommending that the same start-up fund be kept for MARCNA 37. After all bills paid, we are passing on **\$10,670.79** to RSC.

Finally, I want give a big thank you to the MARCNA committee. Everyone worked very well together.

NAWS Contact:

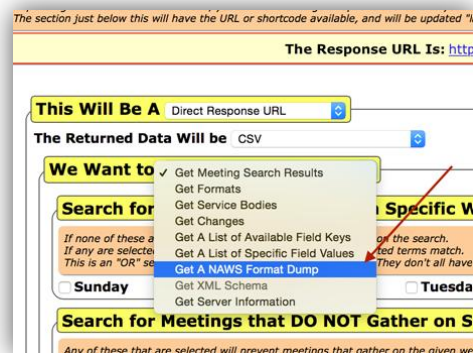

From the NAWS Contact: The Website Workgroup needs to export and provide a list to NAWS. If we instruct NAWS to remove all groups except the ones on the BMLT export, this will automatically clean up the NAWS database.

I will include the email from Lori at NAWS below:

Hi Jeffry,

It looks like it's been over a year since we received a BMLT export file from you. Send me an export file and we will update our information and do a comparison of data.

To send us an export of your data - from your BMLT - Go to the semantic workshop links.

In the popups, select "Get A NAWS-Format Dump," and select the ASC. Run the report and send us the file it creates.

Once we get the file, I will import it into our database and update our information. When we are done, I will send you a list of the codes you are missing and any data we have that you don't so you can check them.

Thank you for your willingness to keep us current.

 **PO Box:**

Hello RSC Family,

I have been checking the PO Box. However, I have to report, we failed to pay our PO Box on time again. I had talked to the treasurer when I received the bill for the PO Box, however, I did not follow-up with her and time got away from both of us. Been another crazy quarter in my world. (as always). We agreed to take mutual blame for this happening. 😊

I went to the Post Office on Thursday of this week and took care of the PO Box bill and would like to be reimbursed \$114.00. I have put in a request for funds for this. \$92 was the PO Box fee, and \$22 was the late fee. I am not sure how we can avoid this from happening in the future. I did look online and it looks like there is an auto-renewing option, so this may be something we need to consider. I would be willing to set this up with the treasurer if no one is opposed of this.

Here is what we received this quarter:

A few things for the treasurer:

- Oz Area Donation \$500.00
- Insurance Invoice
- City Blue Print Bill

We also received:

- NAWS News
- Southern California Region of NA Cruise Information – April 19-26th, 2020
- Postcard to book Bob Perkel comedian. – I gave this to the Convention Committee
- 2 H&I Letters that I am getting to Alan. Both of the letters were requesting sponsors as well, so I have would like to forward this on to the Zonal project for Sponsorship Behind the Walls if no one is opposed to that.
- A letter from Burlington Downtown Group in Colorado, requesting to still be a part of the Mid-America Region – they left the OZ area, but would like to remain on our meeting list, and be members of the Mid America Region.
- PO Box Invoice which is now paid.

I think that was it. My apologies again for the PO Box not getting paid again. This is my last quarter as your PO Box chair as I was elected last May.

ILS,
Amber C

 **Public Relations:**

Public Relations Workgroup report May 2019 RSC:

A call was made for potential new project ideas, there were none.

Elections:

P.R. Presentation to Professionals Workgroup Coordinator: No willingness; take back to groups

Phone Line Workgroup Coordinator: Wayne S. has willingness, qualified self, Wayne elected Phone Line Coordinator

Reports:

Phone Line Coordinator:

Howdy all - Once again, I am sorry to say I won't be able to attend tomorrow's RSC weekend. Sounds like some of you are not there as well. Please get this report to whomever will be there and in charge of the PR meeting this RSC. I have been helping Wayne S. with his questions and tasking him with phone-line updates and answering the voicemail. He seems to be willing and I'm happy to help him with future questions and issues as they arise. If he steps up and you elect him this RSC, just let me know with a text or email please, so I'll know before the RSC minutes come out. If not, I'm willing to continue to update until Wayne or whoever is appointed to take over the Phone-line Coordinator.

The phone-line is up to date with just one addition this last month for the town of Lecompton, KS. The stats for this quarter are as follows: 855-732-4673 has added a "live-addict" volunteer with the addition of Wayne S. Unfortunately we lost one volunteer and still have (12) total volunteers. We could use twice as many. Please take that back to your home groups. You need to have (1) year clean and have served in some service position at either the group, ASC or RSC in the last year. We had (150) total calls, (16) voice-mail answered directly by

me or Wayne, (7) "live addict" calls answered by volunteers. (446) minutes of service were used. We are fielding a majority of calls from the 316 area code. As always, if you have any questions or comments, feel free to contact me at 785-766-7850 or phoneline@marscna.net.

Thanks for the privilege to serve you researching, setting up and running the Mid-America Phone-line these past many years. My hope is that we will expand "liveaddict" service from 15 to 24 hours and continue to reach addicts without internet service, the visually impaired or wanting to talk to another human about where to find our fellowship. See you all in Minnesota.

Peace, Nate F.

Discussion: Wayne is aware of the process for manipulating the Phone Line software and will coordinate with Nate to ensure smooth transition. Wayne is willing to work with web site software tools when implemented.

Media Coordinator:

All meeting information is up-to-date, meeting lists are printed.

Hospitals and Institutions Coordinator:

Hello, Family;

I have got a few contacts for county jails in Miracle Area, Douglas County. Jon gave me some info from around the Beloit area.

Schatzie from Sedgwick and Cowley Counties. I really need help getting contact info from other counties and any other jail you think might need a Basic Text. E-mail or Facebook me. Also need help getting a form letter together to send out to jails, PLEASE! I'm at a point where I'm really feeling burnt out and just want to quit. Feels like a lot of times here at RSC I'm all alone. Put out the info and I know kind of what happens time we get back to our area meetings it gets forgotten, so HELP me! This, too shall pass. Going to at least another quarter and see what happens. Would like all RCMs when they can, give or send me dates and times for your area meetings. Still willing to do workshops or anything like that.

ILS, Alan B.

alan_bansemer@yahoo.com (316) 680-3967

Discussion: Alan needs help. Would like to see more participation by RCMs and Area H&I Coordinators, especially at the RSC Saturday Breakout session. Would also like ALL RCMs to collect date and time information for Area H&I Meetings.

P.R. Presentation to Professionals Coordinator:

Had one meeting in preparation for the Presentation to be done at Plains States Zonal Forum in Salina. Planning another meeting in June. Will also be tendering a request for funds for the Presentation.

Web Servant:

Hello, Mid-America Regional Family!

Since the last RSC, the effort on the new web site has yielded more frustration than function. Acquiring and aligning the administrative, hosting, and security functions took much longer than anticipated, however, we believe those problems are rear-view mirror ones. Those with keen memories will recall from February my comparison of the lack of a working prototype web site to my frustration at not getting a Chiefs Superbowl t-shirt. I had again planned to show off the new site at this RSC... but I had also lusted after a KU Final Four t-shirt, and I went home disappointed on THAT, too. I did get a Kansas State Big 12 Championship t-shirt, though. The new site is under construction, and we are currently copying information from the old site, a process which SHOULD go quickly, though as I type this, I can't help but hear my Higher Power chuckle. After this comes the BMLT, Meeting List Generator and Telephone Line interface. A working prototype site will be displayed at the August RSC, I don't care HOW the Royals are doing! After that, the Sub-Committee will undertake a program of workshops to carry the techno-message to the groups and areas in the region. This workshopping will likely work better in the winter than during campout season in any case.

On a personal note, I need to thank Curt S. for his continued support and advice, as well as his attention to the admin, hosting, etc. side. Also, I need to thank the Regional Service Committee for your continued support and faith in me. In addition to a fairly high level of learning and application of knowledge, this position has required a continuing increase in my level of acceptance and faith in my Higher Power's guidance. While these gifts are available for the asking, I have noted that my H.P. don't do web programming. As you probably know, the existing Web Site is still up and running, maintained, and as current as I can make it.

Thank you for allowing me to serve the Fellowship, Ed B., Web Servant, Mid-America Region of Narcotics
Anonymous

Discussion: The web site should be ready for previewing by August RSC. A panel of four or five members will undertake beta testing when ready; Amber C., Daniel C., Tim S., Jeff R., and Rod D. will assist.

PR Co-Facilitator comments: Regardless of some frustration, I would note that we have quite a bit of function already in place on our new site, including Wordpress installation, about 80% of the structure and pages, a local copy of a BMLT DB server for testing, and events calendar, and plugins for mobile viewing, among others. It is our plan to use the Zonal BMLT database when we go live. I feel the work is going very well, and per the notes in discussion, we should be ready for beat viewing by the August RSC.

Wrap-Up:

H&I needs help, All RCMs, please convey to your Area Service Committee, and particularly to your Area H&I Coordinators to contact Alan B. to find out how they can help.

P.R. Presentation to Professionals at PSZF coordinator Amber C. is scheduling another meeting to prepare the presentation. Please take to groups the need for a P.R. Presentation to Professionals Workgroup Coordinator!!

That's the scoop on Public Relations work in the Mid-America Region!

 **Regional Delegate:**

I will not be at the RSC next weekend. I would like to say that it has been an honor to serve MARSCNA as the RDA and RD. I hope I have done at least a satisfactory job. If you have advice of how I might have done that job better, I am open to constructive criticism.

The only activity relevant to the RD position was the PSZF webinar in April. Unfortunately, that was on the Sunday of Convention and as I was the Programming chair, and was unable to attend the webinar. (I was delivering Arne to the airport.)

The RDA (Rod D.) did attend and he has already sent a report therefore I have nothing additional to report.

Howdy Folks

Well while the convention was going on, I got to attend a Zoom meeting put on by the World Board. The Webinar was about the CAR Survey for 2020 and Virtual NA Meetings. There were 124 people at the web meeting, including 13 NAWS staff, 11 World Board members, the 4 members of the Human Resource Panel, and the 2 WSC Co-facilitators. It was an update on the projects and other items of interest so the first thing that was reported on was;

1. NAWS strategic planning and CAR survey;
 - 1.1. The SWOT survey we just got done with only 56 Regions and 1 Zonal did it. This survey will frame the next steps the World Board and World Services take. Those of us that were on the Webinar were asked about the Survey that was put out in the CAR which help plan Literature Development, Tools, and IDT's. We were asked to do a poll
 - 1.2. Do you want us to continue to collect Regional responses to the CAR survey?
 - 1.2.1. 77 participants or 85% said yes and 14 participants or 15% said No**
2. Online Meetings and Service Committees;
 - 2.1. ; A request from an Online Area has been received to be seated at a Region and no one knows how to do that. We were asked two questions;
 - 2.2. Anyone here have direct experience with an online ASC?
 - 2.2.1. 82 or 85% answered No and 6 or 15% said yes**
 - 2.3. Anyone here attended or served on one?
 - 2.3.1. 88 or 100% said no**
 - 2.4. At the 2018 conference we kicked around some ideas about Online Meeting.
 - 2.4.1. Guidelines are needed for virtual meetings/groups
 - 2.4.2. Answer the question "is an online meeting an NA group?"
 - 2.4.3. How to handle contributions (aka 7th Tradition)
 - 2.4.4. Create virtual group booklet with guidelines for meetings and business meetings.

3. We broke out into 8 small group sections and started to see if we had anything to add to these ideas about Online Meetings. With being said here is the Small Group discussion Notes.

NAWS UPDATE

1. As the new Conference Cycle begins, we have 3 face to face workgroups:

1.1. Mental Health/Mental Illness IP:

- 1.1.1. The Review and Input period is up May 15th, we will see the next phase of that sometime before the conference. More than likely it will be a finished IP for us to pass or fail.

1.2. Spiritual Principle a Day Book (SPAD)

1.2.1. Working on 9 principles through June 2019

- 1.2.1.1. Forgiveness
- 1.2.1.2. Kindness
- 1.2.1.3. Perseverance
- 1.2.1.4. Practicality
- 1.2.1.5. Respect
- 1.2.1.6. Responsibility
- 1.2.1.7. Service
- 1.2.1.8. Simplicity
- 1.2.1.9. Understanding

1.3. WSC of the Future has divided up into 3 sub workgroups.

1.3.1. Effective and Sustainable WSC task group

- 1.3.1.1. Delegates have completed a Strengths, Weakness, Opportunities, and Threats poll. The sad part was only 56 Regions weighed in (25 US and 31 Non-US)

1.3.2. Role of Zones task group is working on a project plan to define the relationship of Zones the Fellowship, integrating Zonal Delegates into the decision-making process at the Conference. They are also have working on answering

- 1.3.2.1. What are Zones?
- 1.3.2.2. What do Zones do?

1.3.3. Zonal Collaboration task group is working on help each other on seeing the benefits of collaboration.

- 1.3.3.1. I liked the quote that was in the NAWS News “Most of us only think about what we are doing. We don’t think about what we are not doing. Collaboration helps us to see what we are not doing.”

2. Fellowship Intellectual Property Trust (FIPT); This is what the WSC 2018 agree to on Friday May 5th, 2018. “Do you agree that a change is needed to the future to Article III of the Operational Rules?” Straw Poll was 93 yes 15 no 4 abstain and 2 not voting.

2.1. The work group as been meeting regularly and has forwarded their ideas on the inspection clause.

2.2. Also, for some reason this work group has also decided to work on other sections of the FIPT.

- 2.2.1. The Following is a quote from the NAWS NEWS, and I added this so that the RCM’s are aware that the FIPT will have to be changed in the future. So, watch for more information on this because the Literature Belongs to your Groups. ***“We (WSC 2018) had initial discussions about changes to the FIPT itself. Any change to the trust itself is a more complicated process than***

changes to the Operational Rules or bulletins. Changes to the FIPT must begin with a motion in the CAR, which— if approved—begins a process that will take two additional years. A change to the FIPT is already necessary due to the recent action of the Conference in providing full participation, including voting and funding, to zonal delegates representing zones with two or more unseated communities, as full participation means that zonal delegates will also be part of approving recovery literature. Since we need to begin the process of proposing changes to the FIPT anyway, we have asked the workgroup to look at any other possible recommendations to update the trust. The workgroup is currently focused on possible changes to the Use Policy (FIPT Bulletin #1). This document was written long before the advent of the internet and online meetings and needs an update to be a useful resource. We will continue to update you with progress on these matters.”

3. Training and Tools Project; They are working on two areas of this

3.1. Local Service Toolbox

3.1.1. Serving NA in Rural and Isolated Communities and within this main heading they are working on 3 sub areas

3.1.1.1. A Printed Service Tool

3.1.1.1.1. This has been workshopped at 5 events since the last board meeting which was last summer. The workshop at world last year Keep Giving Back at WCNA 37 was one of those. They are working on a final change to this draft and hope to be posted on the Project Webpage for review and input

3.1.1.2. A Webpage with a range of resources www.na.org/ruralservice and WOW there is a lot of resources listed.

3.1.2. Online Meetings; On the resources page you will find meeting guidelines for a group that uses SKYPE to have a meeting. This is in the Highlands and Islands of the United Kingdom. Outreach Guidelines for taking a mobile meeting to someone in need of a meeting that may not be able to get to a meeting. This one being from Eastern Area of Oklahoma. Also, an Area Outreach Program from the Heart of Tennessee (HOT Area). Awesome stuff

3.2. Convention and Events Toolbox is currently working on Contracts and Negotiations once completed it will be available for a 90-day Conference Participant Review period.

3.2.1. Up next will be Committee Structure and Accountability piece.

I want to take the time today to talk about the section in my report that talked about the Online Area wanting to be seated. I printed Sunday's meeting schedule so everyone could see what the Virtual Meeting List looked like on NA.org https://virtual-na.org/?page_id=93 (see attached in back). I also attended one last week on Saturday morning so I could see what it was like. They opened just like our meeting with the readings. Then the Chair asked someone to read a couple paragraphs out of Living Clean book. It was open sharing on those two paragraphs. It was just like any meeting where there is not a rotation around the room sharing. A lot of silence then someone started talking then silence and then the chair shared and encouraged people to share. It did cost 1 cent a minute extra on my phone bill so 60 cents. On the next

one I joined by was first by phone with a toll-free number (good thing because the meeting is in Scotland) there was 13 of us most everyone was from overseas except for me.

Just a quick reminder July 27th, 28th and 29th in Salina will be our Regional Service Assembly and as a bonus the Plain States Zonal Forum will be putting on the Workshops for us. Applying our Principles to Technology and Social Media, Rural/Isolated Communities (we have a lot of these) Attracting Members to Service, and Mentorship and Continuity. Lunch will be on our own nevertheless there will be a dinner of pulled pork (cooked by Wayne S.) and sides. Really RCM's take it back to your Area's encourage our Groups to send people to the Assembly. Rent an extra room or two and put Addicts in them. Okay I will get off my soap box maybe.

Ⓝ **Treasurer Report:** *Attached toward end of minutes*

Ⓝ **Treasury Oversight:**

Mid-America Region Family,

Following last RSC I received statements from Beth N and audited the RSC bank account, finding no discrepancies. I have no recommendations or concerns with the RSC account at this time.

I have access to the Convention bank account and have access to treasurer reports and bank statements as well. Following today's RSC I will begin auditing the Convention account. Findings will be reported at August RSC.

I am requesting Treasurer reports from the Campout Committee today from all RSC and interim meetings so that I am prepared to begin next quarter's audit of that account.

In Loving Service,

Matt M

Treasury Oversight

Ⓝ **Open Forum:**

Ⓞ Matt M. (Treasury Oversight) mentioned our online policy is outdated, we need the 2018 version of policy placed on website, replacing 2015 version currently uploaded. After searching archive files, the 2018 version apparently wasn't sent out, only printed. While members were looking at their policy, Rich C. mentioned a discrepancy with Convention Hotel and Hospitalities duties. Jeff R. mentioned that the recently updated Convention policy hasn't been included in MARSCNA policy yet, this typically happens in February. Jeff also

mentioned when it is time there will be a work group appointed to make all updates. Tim S. will scan a copy and send to website. We need to find out who has both a pdf and editable copy for our archives and future edits.

- ⊙ Jon J. (Unity) brought up committees not fulfilling duties on sending interim minutes, that includes meetings conducted Saturday prior to RSC. This is in our policy section VIII-A-2.
- ⊙ Ben T. brought up service assembly meal options, need input. Jon mentioned using Wayne M.s BBQ service, he is doing campout too and lives in Salina where the assembly will be. Shelley asked about what past zonal meetings did, which a few members gave response. Ben mentioned the caterer he has used could supply beans and potato salad, Jon said he would call Wayne about supplying all food. Wayne stated over the phone he could supply everything.
- ⊙ Jeff mentioned upcoming convention bid motions; we have a one to three year proposal for the Hyatt Regency in Wichita. With each year added we get extra benefits, both pros and cons were mentioned during discussion. Pros include benefits from hotel for long-term commitment, like equipment fees waved, cheaper parking. For us the pros include not having to scramble to lock in a future convention, dates are locked in possibly for the next 4 conventions so other neighboring regions can possibly not conflict when planning theirs. Convenient airport and restaurants also were a pro. Some of the cons, or concerns were not rotating the convention, creating a lack of fellowship support throughout the state.

Ⓝ *Broke for one hour lunch at 12:15 pm*

⊙ **Old Business:**

- Ⓝ **Motion 021719-002:** pertaining to Naranon meeting list. Jeff R., Facilitator, ruled this out-of-order after reading this statement: *“After talking with members of our region and other regions throughout the USA, and talking with NAWS, motion 021719-002 is a clear violation of Traditions 6 and 10. It also violates MARSCNA policy page 3, section I, item A. Therefore, as your facilitator I am ruling this motion out of order.”*
In service, Jeff R.
There were no objections.

Ⓝ **Request for funds:**

- ✓ \$85.00 for July PR presentation rent
- ✓ \$150.00 for literature at PR presentation
- ✓ \$400.00 for meeting lists (*not to exceed*)
- ✓ \$300.00 for Fall issue MAN (*not to exceed*)
- ✓ \$200.00 request from FD for Service Assembly (PSZF) meals

Ⓝ **Elections –**

- a) **Archivist –** *No willingness, take back to ASC*

- b) **Treasurer** – *No willingness, take back to ASC*
- c) **Co-Treasurer** – *No willingness, take back to ASC*
- d) **Co-Secretary** – *No willingness, take back to ASC*
- e) **Co-Facilitator** – Rich C. showed willingness, qualified and was elected in, congratulations!
- f) **Regional Delegate** – Rod D. nominated by Tim S., 2nd by Jon J. – qualified and elected in, congratulations!
- g) **Alt. RD** – Chris H. showed willingness, qualified and was elected in, congratulations! *Chris was aware he has to give up his RCM alt. position in order to qualify as well.*

➤ **Attention: All RSC elected positions are expected to attend and be available during the entire RSC business meeting on Sunday! MARSCNA Policy page 7, 6-C-2**

This includes Convention, Campout, Soul to Soul, FD, PR, Ad-Hoc Chairs, Officers, and any other trusted servants elected on the RSC floor.

⊕ **New Business:**

- ⊕ **Motion 051919-001:** Made by CKA / 2nd Miracle – “Propose to accept the convention bids at Hyatt Regency in Wichita for 2021, 2022, & 2023”.

Since discussion happened in open forum, this was ready for a vote, which passed 7/0/0. After the fact, it was pointed out that this motion went against our policy about securing convention bids 29 months out. All RCMs were ok with it; we have bids confirmed now through 2023.

- ⊕ **Motion 051919-002:** Made by Treasurer – “Set prudent reserve for May 2019 – Feb. 2020 to \$7,000.00”. This increases it by \$1,000 from last year, and gives us three quarters operating expenses. Passed 7/0/0

- ⊕ **Motion 051919-003:** Made by Treasurer – “Donate \$3,000 to Plains States’ Zonal Forum”. Passed 5/0/1

Our policy states that: Yearly all funds above prudent reserve not budgeted are forwarded to NAWS. As with last year, it was decided to funnel it through PSZF, as their policy is also to send excessive funds

to NAWS. This brought up some debate as why we are not following policy, which warranted the next motion.

- Ⓝ **Motion 051919-004:** Made by Secretary / 2nd by CKA – “Add the words {*Plains States’ Zonal Forum or*} after the word “to” and before the word “Narcotics” in section “V” item “E” in 2018 MARSCNA Policy.”

This a policy change so automatically goes back to groups. Passed 6/0/0

- Ⓝ **Open Positions for August:**

▪Secretary; ▪Treasurer; ▪Archivist; ▪Treasury ▪Oversight; ▪Public Relations;
▪Fellowship Development; ▪PO Box; ▪Co-Treasurer; and ▪Co-Secretary
