 **Area reports:**

 **Central Kansas Area:**

Hello family,

Central Kansas Area had two very successful retreats this past quarter, thank you all for helping get functions going again. Both women and men's retreats are in the planning stages for 2022. Upcoming events for the area include Christmas Dreams December 18th, which flyers are on the table. This event isn't designed to be a fundraiser, just food, fellowship, speaker meeting, and an appearance of a fat guy in a red suit.

Our area voted "yes" on the Phonenumber Guidelines motion (08152021-001), and like the region, has been facing some apathy when it comes to filling service positions. We currently have Secretary, Chair & Co-Chair, RCMA, and Web Contact open. A flyer has been sent out to hopefully generate some enthusiasm for our next area meeting.

We passed along \$1,250.00 to region and a similar amount to NAWS, and printed updated meeting lists. There may be more upcoming group functions, but Salina's Phoenix group currently has the only flyer out, for their New Year's Eve party. All CKA functions are listed on MARSCNA calendar with downloadable flyers.

Gratefully serving NA,

Tim S., RCM

 **Fellowship for Freedom Area:**

Hello Family,

Fellowship For Freeman is small but we are plugging along. We had Friday Fright Night on October 29th and had a great turnout. Thank you to everyone who helped.

We have been discussing joining with the NANA area in Topeka.

We voted unanimously to pass Motion 081523021-01.

In loving service!!!! Devon W

 **Just For Today Area:**

Hello Family,

Hello Family,

On February 12, 2022 the JFT Area will be having a Literature Fundraiser in Yates Center. Plans are still developing on what all it will involve. Their save the date flyers on the table, please take some back to post in groups. Also, the Pioneer group in Emporia is tossing the idea around on having a Convention fundraiser on January 31, 2021. Yes, that would be a New Year's Eve throw down as well. On November 21, 2021 the 2nd Chance group in Ark City is having a Pancake Feed. The doors open at 5:30pm. A reminder to everybody that December 1st is National Sponsor Day. In Coffeyville a new group has started. It meets on Tuesday at 7 pm. It is located at 401 N. Ohio street. Also, another new group has started in Iola. It is meeting Tuesday at 7 pm and Friday at noon. The group is located on the corner of Jefferson and E street. Our Area will be voting "yes" on the

motion regarding the phone line being part of policy. Finally, the JFT Area has a \$200.00 donation for region this quarter.

In loving service,

Rich A. – RCM for JFT Area

 **Miracle Area:**

Hello their family,

Miracle Area is doing very well, and all our meetings are now in person. Brothers and Sisters had left Miracle Area and join Chicago Area on virtual meetings. Miracle Area has Co-Chair, Archivist, Ignite Chair, H&I Chair, Public Relations Co-Chair, Public Announcement Service Coordinator are open positions. Activities is planning a sponsorship banquet in January sometime and it hasn't been finalized yet and trying to find a location. Miracle Area has an Outreach Ad hoc committee is just starting to put together information to see whether outreach is needed in the miracle area. We are gathering statistics and going to meetings and gathering our own statistics at those meetings anonymously. This way we can see who struggles and who doesn't and where they might need improvement or not. Miracle Area had an Area Inventory done in September to see how to make our area better and how to get new people involved in service, and at the area level.

New Beginnings is sponsoring a Thanksgiving Dinner on Tuesday, November 23, 2021, at 6pm before the 7pm meeting and it will be a Gratitude Meeting. The address to New Beginnings is 1100 Kasold Drive in Lawrence, Kansas. New Beginnings Chili Cookoff and Speaker Jam on November 20, 2021, and it was big success and had some amazing speakers. Not So Famous had their annual Baldwin Shindig on October 24, 2021, at Baldwin City Lake in Baldwin, Kansas and it was a good turnout. Lotta Soul had their Family Picnic on October 23, 2021, at Burcham Park in Lawrence, Kansas.

We are donating \$ 500.00 Dollars to Region and our Miracle Area Treasurer inform me that she will mail it this weekend.

Thank you for allowing me to be of service,
Zac T.

 **Unity Area:**

The Herrington and Smith Center meetings have closed. Yawan who meets at Cloud County hospital was asked to not have meetings during Covid in area. Having a hard time getting GSR's to answer their phones. No Area meeting. I would of liked to have gotten copy's of regional minutes during the shut down of live meetings. I did come to the last region but was 1 week late. I have never heard of the 3rd Sunday of the month. Always 3rd weekend.

 **Western Area:** Not present – No Report.

 **Wichita Metro Area:**

Hi All,

All is well in the Wichita Metro Area.

We are having our annual Celebration of Recovery on January 22nd. I have brought flyers for this today.

Doors open at 1PM with workshops and a Chili Cookoff. Hosted by COR group at 5828 S. Broadway in Wichita.

Please grab a flyer for more information.

Sowing the Seed Group in Wellington is currently not meeting and are seeking a new meeting location.

We have started our area game night for the months of November through March 2022 with groups hosting.

December game night will be at Living Clean after the 7 pm meeting. 3735 W. Douglas.

Unity Group will have their hall open on Thanksgiving Day and will provide the turkey.

We bring a “yes” vote back to approve the PI Phone line policy.

We would also like to discuss a little bit more on the Service Assembly as our area would like to see something different such as either have it at the MARCNA Fundraiser in February or travel to the areas for a service assembly presentation. We believe we would have more support in this fashion.

First Things First is having an Event at their meeting location in Ark City on December the 18th,. Doors open at 3 PM. 812 W. Chestnut and they will also be having an event for New Year’s Eve. This is all the information I have at this time.

Our 7th tradition is \$301.86.

 **Campout:**

Good morning region from your incoming 2022 campout committee

Im happy to report that we have filled all our positions and are roughly 80% on track with the rough guideline handed to us by the outgoing committee and we thank them for their continuing guidance and active participation in helping to make sure that the upcoming years campout will be as successful as we can possibly make it.

Your incoming committee consists of myself as chair, Ron Z as co- chair, Zack O as treasurer, Abigail F as secretary, Tyler L as programing, Hallie T as merchandise, and Dusty C returning as catering. I’d like to give the full committee a thank you from myself and us all for their willingness and hard work to date.

Discussed this meeting was the filling of the final two positions, catering and merchandise, formally agreeing on the theme and initial artwork, finding a point of accountability for our save the date flyer. Looking at samples of shirt fabrics and colors for what is hopefully our first run of shirts. Allotting and distributing funds for merchandise and adding another day to our reservation to allow for early birds and the committee to be able to get in and set up.

For those interested, the committee has allocated slightly more than half of the funds we've been given and are waiting till catering and programing come to us in at our January interim meeting for any additional expenditures.

We're currently engaging in discussions about if or how it's possible to get out of state speakers in and have had additional personal funds offered to be donated for expenses for travel and accommodations but at this time those are just discussions

Hallie T has requested that R.C.M.'s get with her about and take back to their areas the need for fund raising ideas and dates so that we can add to the cool stuff we do speakers we can bring in and the larger amount that we can leave the next committee.

Speaking of the next committee, it's also time for members of the body and general members to take back that were going needing location ideas for the 2023 campout it's never too early to get the ball rolling and if groups and areas would like to see the campout come to their part of the state the only way is come forward.

Our next interim meeting is set for January 8th @ 7pm and being conducted virtually through ring central. Those interested in attending that haven't previously can leave their contact information with either Abi or me and well try our hardest to remember to get the log in information out in a timely manner.

In loving service

Jacob k. and the campout committee

 **Convention:**

Hey Family,

Grateful to be here and to be of service. Your convention committee continues to be committed even with open positions. We are excited about the 2022 convention.

We have folks already reserving hotel rooms and that is great to hear too. Please make sure to share with your Area and homegroup about the upcoming convention. We have folks who are currently working out the bugs with our online registration link. We may need all RCMS to take pre-reg flyers back to their areas.

MARCNA will be hosting a fundraiser at the Pioneer Group in Emporia on New Year's Eve. Doors open at 6 that night. Thank you, Pioneer Group, for hosting this event.

MARCNA will be hosting the February RSC for Saturday evening. We have a flyer that has been posted on various sites for the "SOUPAPALOOZA". We will have bingo and prizes and a speaker too. Please bring your soup and goodies and invite newcomers and old timers. It will be MARCNA'S last fundraiser. Unity is a MUST!

We are requesting 600 MAN newsletter to put on our swag bags for the convention.

PEACE LOVE & REPECT

In the area of new, closed, and struggling groups, there is a couple meetings that closed, Herrington and Smith Center. Sowing the seed in Winfield is searching for meeting location, no meetings at this time. We did not do breakouts; we did open business as a group.

During elections, was a bit quiet, please take back to groups open positions are, FD Facilitator, FD Co-Facilitator, FD Secretary, and Man Co-Chair. Again, Jodie Z will be recommended today on the floor for FD Facilitator.

 **MAN Newsletter:**

Hello family,

Printing of the winter issue came to \$55.72 for 500 copies, or 11¢ per copy. They have been bundled up and set out for RCMs to pick up this weekend. I also mailed twenty copies to the Hole in the Wall Group in Oregon State Penitentiary, in hopes to get a newsletter exchange going again. I had discovered that they had recently published a current newsletter so it's good to see some things get back to normal.

A Facebook group dedicated to NA Newsletters has been started by a member in Memphis and I have been sharing our newsletter to it, both current and our earliest issues from 1980. Just another way to expand newsletter exchanges.

I was elected to this position February 2019, and it mistakenly got missed at the two-year mark for reelection. Since it needs to go back to groups for one quarter anyway, we should make it known this RSC so it can be placed in the minutes. The deadline for spring issue is February 1st, so get your submissions in.

Gratefully serving NA,
Tim S.

 **PO Box:**

Hello family,

I check the PO box consistently, making all deposits as they came in, and scanning anything that needs forwarding. That included a letter from an inmate, which went to the H&I email. When possible, I save groups or areas a stamp and get the mail hand delivered, typically donations to region. The line items marked with an asterisk are examples of that. There was one envelope with flyers that has been placed on the table.

14-Oct	Just 4 Today grp.	\$300.00		Larned group donation	deposited
27-Oct	Johnson Co Jail			letter from inmate	scanned and emailed H&I
27-Oct	MARLCNA			Flyers	take to RSC
12-Nov	OZ ASC	\$2,000.00		ASC Donation	deposited
15-Nov	CKA*	\$1,250.00		ASC Donation	deposited
15-Nov	Phoenix Group*	\$100.00		Salina group donation	deposited

That's it for this quarter,

Gratefully serving NA,
Tim S.

 **New Business:**

- The Ad hoc Elections working group worked to come up with the information needed to make a recommendation. The groups information and motion are as follows:

Ad Hoc Elections Working Group. November 21, 2021 RSC.

Rich C., Aimee K., Wayne S., Tim S., Curt S.

We researched the RSC minutes for elections held going back to February of 2015, went over the information provided during discussion in the August RSC, and compared that with information from Regional Policy. That data was augmented by additional information provided by Tim S., dating from the mid-1980s through to February of 2010 with respect to various RSC motions and discussions regarding elections. In doing so, we note that Regional Policy identifies four different types of Regional Trusted Servants. We also saw trends that make sense to follow as they affect how a particular Regional committee or workgroup functions. We used this information to develop a policy change that will cover both election dates, and how to handle out-of-schedule elections when there hasn't been willingness during the normally scheduled election for a position. The motion will be presented during the November RSC.

We also found several discrepancies in Regional Policy that we saw as outside the task of setting election schedules. Among them are:

- numerous positions with no term length,
- no instruction for the election of Standing Workgroup trusted servants (for example, Newsletter)
- Positions that do not seem to exist (Communications),
- Positions that do not exist in Regional Policy that have been elected (Co-Secretary).
- Regional policy does not cover the election of subcommittee positions, although some positions are listed as Standing Workgroups.

We believe that either the current Ad Hoc Elections Working Group, or another new workgroup should be tasked to make policy change recommendations in order to provide clarity on these discrepancies.

In summary:

We will present a motion regarding election schedules

We recommend additional activity to clarify positions in Regional Policy.

Blessings, Curt S.

Motion: 11212021-01 2nd by WMA. TAKE BACK TO GROUPS!

To update Regional Policy as follows:

Under Section VI Elections, add the following, "Section E Election Schedule".

1. Admin and Regional Trusted Servants shall be elected in the May RSC.
2. Standing Subcommittee facilitators shall be elected in the August RSC with the following exceptions: Convention is held in the February RSC, S2S is held in the November RSC.
3. Standing Workgroups will be elected in their respective Standing Subcommittees in the August RSC.
4. Should any position not be filled in its scheduled RSC, the election will be held over to the next RSC, and subsequent RSCS until the position is filled. If a trusted servant is elected in an RSC within half the time to the next scheduled election, the trusted servant's term shall end per the election schedule. If a trusted servant is elected in the remaining time before the next scheduled election, then the trusted servant's term shall be considered to be the remainder of the current term and the full term to follow.

Intent: To codify the election schedule within the Mid-America Regional Policy and provide the means to deal with elections when they are not fulfilled per the election schedule. The following examples illustrate how number 4 works. The position has a 2 year term and is scheduled for the May RSC. No one is elected in May. The position will be available for election at any subsequent RSC. If it is filled in the first year of the term (Year 1 Aug, Nov, Feb, and year 2 May). The trusted servant is elected to fill the remainder of the term, in this case the second year of the term. The position has a 2-year term and is scheduled for the May RSC. No one is elected in May. The position will be available for at any

subsequent RSC. It is filled in the second year of the term (year 2 Aug, Noy, Feb). The trusted servant is elected to fill the remainder of the positions term and the next 2-year term.

- We have several Areas who haven't been attending the RSC. They need to be contacted. Rich will contact Western Area, Jacob will get in touch with NANA and Wayne will contact Primary Purpose.
- We had some items donated to the Region. To avoid any misunderstandings or hurt feelings we need an Ad hoc group to make a recommendation to the RSC of a motion that will cover this issue in the future. The chair for this ad hoc group is Ron Z. Other members of the committee are Angie B., Jody Z., Rich A., Zac t>, Marvin W., and Michelle L.

9 October 2021 CP Web Meeting Report

The October 2021 Conference participant web meeting was focused on the Local Service Toolbox Project and its efforts to develop tools for virtual NA meetings and services. 180 people attended the webinar, including 72 regional delegates, 3 zonal delegates, 57 alternate delegates, 11 board members, 5 zonal contacts, 3 HRP members, the 2 WSC Cofacilitators, 6 interpreters, 12 staff members, and 9 former board members who helped facilitate and take notes in the small groups.

Tim opened the meeting and made sure everyone was connected with the proper interpretation feed.

Upcoming CP Web Meetings

Tim told participants about plans for the upcoming CP web meetings and WSC including:

- The 18 December CP web meeting will focus on the interim *CAR/CAT*, which will be released by 24 November.
- After the November meeting, the board will create videos for the Interim *CAR/CAT*.
- NA World Services is not travelling currently, but will gladly consider requests for virtual presentations and discussions. A number of zones are already asking for the last weekend in January, so that weekend will be a challenge.
- There is a survey posted to determine dates for the first two CP web meetings in 2022. Please complete the survey by the end of October. www.surveymonkey.com/r/CPweb2022
- The first CP web meeting in 2022, in January or February, will focus on the future of the WSC—things like cycle length, funding, and effective use of our time at and between the WSC meetings.
- The second CP web meeting in 2022, in March or April, will be an orientation for the WSC.

WSC 2022

Tim reminded everyone about the decisions participants made about WSC 2022.

- The WSC will take place in 2023, hopefully in-person, making the current conference cycle three years.
- A partial, interim, virtual meeting will convene in April 2022 to make decisions required by law and policy, and to decide on the Spiritual Principle a Day book.
- The 2022 partial WSC is provisionally scheduled to take place on 22, 23, 29, and 30 April.
- Participants will be asked to extend term limits for world-level trusted servants by one year. This affects three Board members, two members of the HRP, and one WSC cofacilitator.

Information about all these decisions is posted on the WSC webpage www.na.org/conference within the two recommendation reports from the board as well as the results of the motions passed by consensus.

Updates from Anthony

Anthony gave a brief NAWS Update.

- A financial update and the June financials have been uploaded to the CP Dropbox.
- The contributions report will be available earlier than usual, in advance of the Annual Report.
- The Basic Text hardcover is back in stock, but supply chain issues remain challenging. We are running low on 90-day keytags because of shortages in the red dye color. Some of the IP paper colors are also scarce so don't be surprised if you see IPs being printed on different color paper.
- The SPAD approval draft will be available for purchase in paper and included in the Interim CAR/CAT, which will be an electronic document.
- Reporting about the lawsuits is compiled and posted at www.na.org/fipt at the link title Lawsuit Reporting.

Anthony closed by thanking Conference participants and members for their support and reminding them they can write to worldboard@na.org with any questions.

Local Service Toolbox

Lib shared about the Local Service Toolbox Project, reminding everyone that creating service tools for virtual meetings was selected as a top priority by the WSC. We have been working hard all cycle to meet this need, said Lib. A review draft of "Best Practices for Virtual NA Meetings" has been posted on the project webpage www.na.org/toolbox

Best Practices for Virtual NA Meetings offers practical guidance on running virtual meetings. Topics cover getting the meeting set up and listed, and ensuring it runs smoothly. Suggestions are offered on topics including keeping meetings secure from disruption, ensuring a safe and welcoming atmosphere, practicing the Seventh Tradition, and verifying meeting attendance.

Lib said that the board is encouraging everyone to workshop the draft. She reviewed an outline for a workshop to help engage members. The workshop outline is posted on www.na.org/toolbox. A survey is also posted on the project page to gather input on the draft tool through the end of November. The finished resource will be Board-approved service material.

Lib let participants know that contact information for members with experience administering virtual meetings is always welcome and can be sent to toolbox@na.org.

Poll on virtual meetings

Lib then explained that the World Board plans to offer a motion to be considered at the 2023 World Service Conference to recognize virtual meetings as groups, based on the survey results on this question and earlier discussions. As we have said in *NAWS News* and other places, Lib said, the board thinks this issue is up to the Fellowship to decide. In the meantime, the board encourages local service bodies to continue to recognize and embrace virtual meetings.

Voting participants were then polled to help plan future discussions:

Do you believe that virtual meetings meet the criteria to be NA groups?

Results: 81 yes (81%), 9 no (9%), 10 unsure (10%)

Small group discussion

The meeting broke into 15 small groups for 50 minutes of discussion of these two questions. Discussion notes are compiled beginning on the following page.

1. We are aware that some virtual groups are participants in their local area service bodies, and some have come together to form virtual service bodies that participate in a region or in one case, a zone. We also know about virtual meetings that are hosted by regional subcommittees as part of the outreach services they provide. Other virtual groups are adopting a "wait and see" approach to decide on their role in the wider NA service system.

How are virtual groups or meetings in your communities participating in NA service outside of the recovery meetings they host?

2. Some of the recent open webinars hosted by NA World Services have highlighted innovative online service efforts from around the world, including virtual H&I panels, online meetings for parolees, and participation in online professional conferences that helped build relationships within correctional institutions.

Do you have any experience to share about innovative virtual service efforts in your community?

What's coming next:

The meeting closed with a few announcements

- The combined Interim *CAR/CAT* will be released in late November
- The next CP meeting is 18 December
- Please don't forget to complete the survey for the upcoming web meetings in 2022
- The deadline for input on the 60th Anniversary Little White Book is 31 October. See www.na.org/fipt for more info
- Website shortcuts are posted at the bottom of the www.na.org/aboutus page

Tim thanked everyone for a productive meeting.

REPORTS

- Facilitator – no report as facilitator
- Co-Facilitator - Greetings in recovery,

Thank you for the honor of serving you. As your Co Facilitator I did attend the Meeting of the US Zones in October. Cindi attended the Virtual Meeting of all Zones last weekend.

The Meeting of US Zones was more of the same with some decisions being made. It was decided after much discussion that the Vision and Purpose statement had strong support. 6 out of 8 Zones where a yes. The NEZF continues to vote no on everything, and Western States would like some more time. We did create 2 workgroups with no objections. They are the US Zones Presentation Group headed by Wilvena G from the NEZF. This group is to give a presentation to a couple of regions that do not want a US Zones Group. We also created a workgroup to dust off our Strategic Plan and update it. It is called the Action Plan Workgroup and it is headed by Craig R from the SEZF. The Action Plan workgroup has started meeting and has had it first meeting. We did decide to create a group email list. The next meeting will be hosted by the Western States.

We spent a lot of time discussing our proposal of 80% consensus to approve anything at this meeting. We finally have a proposal to that we need to vote on that states:

2 | Page

“80% consensus of the zones is required to approve any proposal. There is an option for a stand aside or present not voting that means they are not considered in the quorum of the consensus.”

As your IT Coordinator the web site, zoom accounts, and BMLT have been maintained without any issues. Our upgrade to our hosting account went forward without any issues. I have noticed the speed increase with updating the web site and hits to our BMLT Server from other web sites. I have an invoice for \$251.64. I was given a check for \$360.00 for the web site and \$449.70 for the zoom accounts.

I have been in contact with Lori from NAWS to update the meeting information on our server. Iowa, and the OK Region are up to date with NAWS. I’m working on the file from Lori for the Best Little Region, and I am still working on this process. Please have your web servant or person that handles your meeting list update NAWS. If they need help, I would be honored to assist.

I installed the YAP Server on our hosting account the week after our last meeting and obtained a Twilio account. Reminder. (YAP is like a cell phone and Twilio is like your cell phone company). I started playing with it and sent out an email and slack message to people in Iowa and the Mid America Region back in September. After a week our account was suspended. I have spent the last 2 months trying to convince Twilio and who we were and what we were trying to do. I finally got the account turned back on Tuesday after countless emails and attempts to talk to someone on the phone. My last email did the trick. We have a slack channel started #itworkgroup. Anyone can join us . Let me know and I will put you in. I have sent out an email and currently have 3 from Iowa and 3 from Mid America that have agreed to be on the workgroup.

Anyone else may join and help us in this endeavor. I did set up the account with \$20 with my Discover Card. As of 11:30 am this morning we have a balance of \$15.60086. The totals for November are.

- Treasurer - Greetings,
- Our ANB bank balance as of 10/31/21 is \$12,800.34. Our PayPal balance as of 11/9/21 is \$102.01. All checks I have received have been deposited, sorry for the delay on some of them. I wrote a check for \$6,495.06 to NAWS which I did not write it until November, so it has not been cashed. I did not get a consensus on a donation for MZSS, so I have not sent one. If we want to send one, let’s get a consensus here please. Sam B. will be in Amarillo on the 17th or 18th of this month and will get added to our bank account for SBTW per our policy.
- I have added the spreadsheet to Slack for review.

- On another note, I will not be able to attend the Zone in January in person. My daughter is having a baby and her due date is close to this date. We are unsure if she will make it to term due to other issues. I can attend anything available by zoom. Krista has offered to take the checkbook and bank bag to Nebraska. Cindi and Sam are/will be on the bank account and can sign any checks that need to be written. Let me know what else I need to do to be of assistance.

In Loving Service, Natalie S
